We Manufacture with Pride in the U.S.A.

ABOUT US

We are an international organization that designs, develops and manufactures innovative cleaning products to liberate the cleaning world at work! Ultimate Solutions includes our family of brands: Sandia Products and Mercury Floor Machines. One of our core values is to “stop spreading dirt and start spreading joy”! Our revolutionary ideas will change the way you think about cleaning. We really care about the cleaning business because we really care about people. Using our knowledge and expertise, we want to change perspectives by making life easier and more fun for those who clean the world.

ABOUT OUR PRIVATE LABEL PROGRAM

Build your Brand Recognition, Reputation and Business Skills

This logo represents machines that may be Private Labeled!

Our entire Sandia Products and Mercury Floor Machines lines are available for private branding. We partner with you to develop your machine labels or mold-in-graphic as well as the custom color scheme of your machines. Custom machine operating manuals and sell sheets are also provided. Our Private Label Program has been developed to allow our clients to WOW their buyers with the highest quality machines representing their own brand!

CLIENT WARRANTY INFORMATION

All equipment is inspected and tested before shipping from the manufacturer. All parts are warranted to be new and free from defects in workmanship and material, under normal use to the original retail purchaser. This warranty limits manufacturer's liability for defects in workmanship or materials for replacement of defective parts only. The manufacturer accepts no liability for incidental or consequential damages arisen from the use of any equipment, defective or not. This warranty is in lieu of all expressed or implied warranties and is extended only to the original retail purchaser. Manufacturer sales and service representatives are not authorized to waive or alter the terms of this warranty, or to increase the obligations of the manufacturer under the warranty. Parts replaced or repaired under this warranty are warranted for the remainder of the original warranty period.

Labor is only provided by authorized service centers. If an authorized service center is not near you, it is the purchaser's responsibility to take their machine to an authorized service center. International clients are responsible for all shipping needed for complete warranty. Freight charges and travel charges are not covered by the manufacturer.

The manufacturer covers up to one (1) year (365 days) of service labor at the manufacturer's calculated hourly labor rate/repair time when performed by a manufacturer-authorized service provider. Ultimately, labor reimbursement costs are at the discretion of the manufacturer. At no time is the manufacturer responsible for travel time to complete on-call repairs. After one (1) year, the original retail purchaser is responsible for all labor costs with no manufacturer reimbursement.

The original purchaser must contact the manufacturer to follow correct RMA/warranty procedures. They must include a copy of the RMA Sheet enclosed in the box with the returned item. No returns shall be authorized unless the proper RMA procedures are followed. It is the responsibility of the distributor to repair the client's equipment as soon as possible.

The manufacturer charges a 25% restocking fee for any items that are being returned to stock. Items must be new, unused, free of damage and are only good for up to 30 days. After 30 days, the manufacturer does not accept the return of any items for a store credit.

Authorized warranty replacement parts need to come directly from the manufacturer. Any use of any other parts will void warranty. The manufacturer does not reimburse for parts used by client that were not supplied directly for the machine under warranty.

The client must contact the manufacturer prior to working on or changing out of any parts, etc. The manufacturer must issue an RMA Sheet containing approved labor time and replacement parts. Do not send parts or equipment back to the manufacturer without an RMA Number and approval. No labor will be paid for, nor parts cost paid for or reimbursed, that have not previously been approved by the manufacturer. All warranty work must be approved and authorized to qualify, and appropriate warranty procedures must be followed.

The warranty starts on the purchase date by the original purchaser from an authorized distributor, subject to proof of purchase. The Machine Registration Form must be completed online at the time of purchase. If proof of purchase cannot be identified, the warranty start date is ninety (90) days after the date of sale to an authorized distributor.

SNIPER 12-GALLON CARPET EXTRACTORS

Warranty: Lifetime warranty on body, 2-years on vacuum motors, 1-year on 200, 300, 500, 800 PSI pumps, 2-years on 100 PSI pump, 1-year on all electrical components, 90-days on tools and accessories.

- Powerful vacuum motors offer up to 205" water lift for efficient solution recovery that results in better extraction and faster carpet drying.
- High performance motors stay cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motors, reducing motor temperature and preventing overheating.
- Heated units include an in-line heater that lets you extract with 200 degree Fahrenheit solution!
- 12-gallon solution and recovery tanks allow for quick and easy fill and dump disposal, reducing downtime.
- Waist-high controls prevent bending and stooping to operate the machine. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene tanks withstand the toughest working environments and resist dents, chips and cracks.
- Includes 25-foot long safety power cord(s).
- Optional crush-resistant, 25-foot vacuum and solution hoses, "S" shaped stainless steel wand with dual spray jets and 4" stainless steel upholstery tool available. Order separately.

APPLICATIONS

The best tool designed for deep cleaning carpet. Designed to be portable and to be used where a Truck Mount Machine cannot reach.

SPECIFICATIONS

Solution Pump: 100, 200, 300, 500 or 800 PSI

In-Line Heated Units: 2000 Watt, up to 200° F

Vac Motor: Dual 2-Stage or Dual 3-Stage Available

Water Lift: Up to 205"

Available in Single or Dual Stack Units!

OPTIMIZER 12-GALLON PORTABLE CARPET EXTRACTORS

Warranty: Lifetime warranty on body, 2-years on vacuum motors, 2-years on 100 PSI pump, 1-year on 200 and 300 PSI pumps and all electrical components, 90-days on tools and accessories.

- Powerful dual, 2-stage 6.6" vacuum motors require less amp draw and provide optimal 215" water lift for efficient solution recovery that results in better extraction and faster carpet drying.
- Thermal protected, sealed motors with a patented "Eternity Brush System" provide three times longer motor brush life.
- Advanced fan and chamber motor design allow for a lower amp draw.
- High performance motors stay cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motors, reducing motor temperature and preventing overheating.
- Heated units include an in-line heater that lets you extract with 200 degree Fahrenheit solution!
- 12-gallon solution and recovery tanks allow for quick and easy fill and dump disposal, reducing downtime.
- Waist-high controls prevent bending and stooping to operate the machine. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene body withstands the toughest working environments and resist dents, chips and cracks. Looks professional longer.
- Includes (2) 25-foot, 12/3-gauge safety power cords.
- Optional crush-resistant, 25-foot vacuum and solution hoses, "S" shaped stainless steel wand with dual spray jets and 4" stainless steel upholstery tool available. Order separately.

TIP: We have designed all of our extractors so that the working components of the machine may be easily accessed. There is plenty of room in the base of our machines for easy maintenance.

SPECIFICATIONS

Solution Pump: 100, 200 or 300 PSI

In-Line Heated Units: 2000 Watt, up to 200° F

Vac Motor: Dual 6.6", 2-Stage Motors (25.2 Amps)

Water Lift: Up to 215"

CFM: 133

[Ask about 230 Volt Models.](#)

APPLICATIONS

The best tool designed for deep cleaning carpet. The OPTIMIZER 12-Gallon Portable Extractor gives you the power of a Truck Mount in a portable extractor. It's class leading 6.6" vac motors are 42% more efficient, allow for more sealed suction and provide 5" more water lift than traditional 5.7" 3 stage vacuum motor. Experience more bang for your buck and the convenience of Truck Mount power in a portable extractor.

HOSE HANGER

Hose Hanger for Extractors

TIP: Extractors dispense water, either hot or cold, into a carpet at various rates called PSI (Pounds per Square Inch). The higher the PSI, the more water output into carpet. The solution hose dispenses the water and the vacuum hose sucks the water out of the carpet. Ultimate Solutions offers a variety of PSI and vacuum pump choices to meet the needs of your specific job.

SNIPER 12-GALLON HARD SURFACE EXTRACTOR

Manufactured with
Pride in the U.S.A.

CREATE
YOUR
OWN
BRAND

Warranty: Lifetime warranty on body, 2-years on vacuum motors, 1-year on pump and all electrical components, 90-days on all accessories.

- The one 2-stage and one 3-stage vacuum motors allow for 170" of water lift for efficient solution recovery that results in better extraction and faster carpet drying.
- High performance motors stay cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motors, reducing motor temperature and preventing overheating. This allows for performance with less maintenance.
- Powerful 1200 PSI adjustable pump adjusts down to 400 PSI, providing the perfect pressure for cleaning everything from tile to concrete.
- 12-gallon solution and recovery tanks allow for quick and easy fill and dump disposal, reducing downtime. Auto fill and auto dump capability allows for constant working pressure from start to finish.
- Waist-high controls prevent bending and stooping to operate the machine. Adjustments can be made standing comfortably. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene tanks withstand the toughest working environments and resist dents, chips and cracks. They have a professional look with ultimate durability.
- Includes (2) 25-foot, 12/3-gauge safety power cords.
- Includes clear view in-line filter, 50-foot auto fill hose, 50-foot auto dump hose, 25-foot vacuum hose, 25-foot solution hose, 4-foot vacuum hose, 13" self priming hose and (2) 25-foot safety power cords. Wand and hard surface tools sold separately.
- An optional 7" or 12" turbo cleaning tool is available for hard surface cleaning and is built with stainless steel components. Order separately.

APPLICATIONS

A powerful and versatile portable extractor that is specifically designed for high-pressure cleaning of hard surfaces. With an adjustable 400 to 1200 PSI pump, you can clean tile, concrete and everything in between!

SNIPER 24-GALLON FLOOD PUMPER – ALL NEW DESIGN!

Warranty: Lifetime warranty on body, 2-years on vacuum motor, 1-year on pump and all electrical components, 90-days on tools and accessories.

- A powerful 3-stage vacuum motor and 40 GPM flow-through pump allows all waste water to be recovered at 40 gallons per minute.
- The auto pump-out feature works continuously, automatically dumping water so tanks don't have to be emptied when full. 24-gallon capacity.
- The high performance motor stays cool with an innovative air intake design that uses the vacuum's own cooling fans to pull cool, outside air over the motor, reducing motor temperature and preventing overheating.
- Waist-high controls prevent bending and stooping to operate the machine. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- 10" non-skid, non-marking wheels make stair climbing easy and do not scuff floors.
- Roto-molded polyethylene body withstands the toughest working environments and resist dents, chips and cracks. Looks professional longer.
- Includes (1) 25-foot, 12/3-gauge safety power cord.
- Includes (1) 25-foot 1-1/2" vacuum hose and (1) 25-foot 1-1/2" dump hose.

APPLICATIONS

Designed specifically for the purpose of vacuuming large amounts of water. Ideal for flood clean-up. It pumps out liquid at a rate of 40 gallons per minute.

Valve Repair Kit for Valve on Single and Dual Jet Wands

80-0800
800 PSI Pump

T-A001-1
Cooling Ducting

TIP: We custom build machines for our clients with flexibility in model, motor and pump types. Add the auto-fill or auto-dump feature and build your machine in single or dual stack. Motors may also be built in series or parallel!

INDY AUTOMOTIVE LINE

Warranty: Lifetime warranty on body, 2-years on motor and pump, 1-year on all electrical components, 90-days on tools and accessories.

- Fastest soil pick-up with high CFM airflow.
- A durable pump delivers heated extracting solution into the carpet. The powerful vacuum motors recover the spent solutions and soils.
- Waist-high controls on 6- and 12-Gallon Carpet Extractors prevent bending and stooping to operate the machine. The controls are recessed in the machine and stay protected during use, in transit or in storage.
- These heated units include an in-line heater that lets you extract with 200 degree Fahrenheit solution!
- The 3-Gallon Spot Extractor includes a black carrying-handle that slides out for easy machine transport.
- Non-skid, non-marking 10-inch wheels on 6- and 12-Gallon Extractors make stair climbing easy and do not scuff floors.
- The 3-Gallon Spot Extractor includes double ball-bearing urethane wheels for easy transport.
- All units include (1) 25-foot, 12/3-gauge safety power cord.

APPLICATIONS

Designed specifically for detailing automobiles.

Manufactured with
Pride in the U.S.A.

12-GALLON EXTRACTOR

Model No: 80-4000-H

Capacity: 12-Gallon

Pump: 100 PSI

Vac Motor: Single 3-Stage, 1258 Watt / 99 CFM

Voltage: 115 V

Lift: 117"

In-Line Heater: 1200 Watt

Hoses: 25-Foot Vacuum /Solution Hoses

Upholstery Tool: 4" Stainless Steel

Weight: 110 lbs.

Dimensions: 27"L x 20" W x 38" H

6-GALLON EXTRACTOR

Model No: 86-4000-H

Capacity: 6-Gallon

Pump: 100 PSI

Vac Motor: Single 3-Stage, 1258 Watt / 99 CFM

Voltage: 115 V

Lift: 117"

In-Line Heater: 1200 Watt

Hoses: 15-Foot Vacuum /Solution Hoses

Upholstery Tool: 4" Stainless Steel

Weight: 82 lbs.

Dimensions: 26"L x 17" W x 35" H

3-GALLON SPOT EXTRACTOR

Model No: 50-7000

Capacity: 3-Gallon

Pump: 55 PSI
(also available with 100 PSI pump)

Vac Motor: Single 2-Stage, 804 Watt / 100 CFM

Voltage: 115 V

Lift: 76"

In-Line Heater: 600 Watt

Hoses: 15-Foot Vacuum /Solution Hoses

Upholstery Tool: 4" Stainless Steel

Weight: 42 lbs.

Dimensions: 25"L x 11" W x 29" H

SPOT EXTRACTOR KITS

Warranty: Lifetime on body, 2-years on motor and pump, 1-year on all electrical components, 90-days on tools and accessories.

- The Spot Extractor offers fast, efficient spot cleaning of carpets, rugs and upholstery with 76" lift.
- Lightweight and great for small upholstery and spot cleaning jobs.
- A durable 55 PSI pump delivers extracting solution into the carpet. **100 PSI available!**
- The 1-stage Ametek 804 Watt / 100 CFM vacuum motor efficiently recovers spent solution and soils which allows for faster carpet drying.
- The 3-Gallon Spot Extractor with heat, heats extracting solution up to 200 degrees Fahrenheit with a 600 Watt in-line heater. The steel heater chassis is mounted in its own roto-molded tank and frame.
- Roto-molded polyethylene body withstands the toughest working environments and resists dents, chips and cracks.
- The 2-Gallon Spot Extractor includes two easy access ports allow for quick and easy fill and dump disposal, reducing downtime. Molded carrying-handle makes machine transport easy.
- The 3-Gallon Spot Extractor (with and without heat) includes a smooth-glide slide-out, molded carrying handle and double ball-bearing urethane wheels for easy machine transport. The recovery tank separates for clean, easy disposal of spent solution and soils.
- All models include (1) 20-Foot, 16/3-gauge safety power cord.

2-GALLON SPOT EXTRACTOR

50-2000: Spot Extractor with 7 ft. Vacuum and Solution Hoses and 4" Clear View Upholstery Tool

Shipping Weight: 15 lbs.

Dimensions: 20" L x 8" W x 17" H

3-GALLON SPOT EXTRACTOR KITS

50-1000: Spot Extractor with 7 ft. Vacuum and Solution Hoses and 4" Clear View Upholstery Tool

50-1001: Spot Extractor with 7 ft. Vacuum and Solution Hoses and 4" Stainless Steel Upholstery Tool

50-1002: Spot Extractor Machine Only - No Hoses or Tools

50-3000: SUPER Spot Extractor with 7 ft. Vacuum and Solution Hoses and 4" Clear View Upholstery Tool

50-3001: SUPER Spot Extractor with 7 ft. Vacuum and Solution Hoses and 4" Stainless Steel Upholstery Tool

Shipping Weight: 19 lbs. (Model No. 50-1000)

Dimensions: 21" L x 10" W x 19" H

Choose from a **55 PSI** or **100 PSI Pump**

Kits Available with a **Stainless Steel** or **Clear View Upholstery Tool**

APPLICATIONS

The best tool designed for cleaning small upholstery and spot cleaning jobs. Designed to be portable and to be used where larger Carpet Extractors cannot reach.

Our clients say our Spotter is like "a suitcase on wheels."

RAVEN 10-QUART BACKPACK VACUUMS

Warranty: Lifetime warranty on body, 5-years on motor and all electrical components, 90-days on tools and accessories.

- Fastest soil pick-up with high CFM airflow, making the Raven significantly more proficient than traditional uprights.
- Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper micro-bag mounted inside a washable cloth shakeout bag.
- Lightweight ergonomic design, with a cushioned back-pad that fits the curve of any operator's back. The comfortable shoulder and waist belt design reduces fatigue, making work easier.
- 2 Lever-style latches lock the lid to the body and a static-dissipating vacuum hose securely threads into the backpack's lid, allowing for right- and left-handed vacuuming. The interchangeable lid converts the Raven into a powerful blower.
- Easy-to-reach On/Off power switch, quiet motor and 50-foot long safety power cord.
- 5-piece tool kit included on select models: 56" 2-piece 2-bend aluminum wand, 14" scalloped floor tool, 17" crevice tool, 5" upholstery tool and 3" dust brush.

APPLICATIONS

Designed for vacuuming, carpet, hard floors and upholstery. Worn on the back to allow for easy and quick vacuuming while walking. Ideal for hallways, airplanes and commercial spaces.

Ask about 230 Volt Models.

TIP: Our backpacks double as blowers!

HIPSTER 6-QUART HIP VACS

Manufactured with
Pride in the U.S.A.

CREATE
YOUR OWN
BRAND

Warranty: Lifetime warranty on body, 5-years on motor and all electrical components, 90-days on tools and accessories.

- Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper micro-bag mounted inside a washable cloth shakeout bag.
- The innovative bag support plate keeps the bag from depleting airflow, allowing for constant power.
- A patented noise suppressing exhaust chamber makes the Hipster the quietest vacuum in its class.
- Lightweight design and four-way belt tensioner ensure maximum adjustability and comfort. The comfortable waist belt design reduces fatigue, making work easier.
- The reversible cap makes adjustment easy for both left- and right-handed use.
- Unbreakable stainless steel latches, impact-proof polyethylene body and a 1.5" industrial hose makes the Hipster durable and long-lasting.
- Includes an easy-to-reach On/Off power switch, quiet motor and 50-foot long safety power cord.
- 5-piece tool kit included on select models: 56" 2-piece 2-bend aluminum wand, 14" scalloped floor tool, 17" crevice tool, 5" upholstery tool and 3" dust brush.

APPLICATIONS

Designed for vacuuming carpet, hard floors and upholstery. Worn on the hip to allow for easy and quick vacuuming while walking. Ideal for hallways, and commercial spaces.

6-Quart Vacuum HEPA
Micro-Lined Filter Bag
(10 Pack)

Cylindrical design reduces airflow as the bag bulges and sags.

TIP: The 10-Quart Backpack Vacuum has a tapered versus cylindrical body. By tapering the body 3/4" per side, it prevents a bulging bag from contacting its sides, allowing airflow around the bag.

TIP: The bag support plate keeps sagging heavy bags from impeding air flow. The bag does not suffocate the motor, allowing you to use 100% of the bag!

GEN-AIR AIR MOVER

Stack up to 3 units for compact storage!

Handle fits conveniently into the bottom of the air mover to stack three units easily and safely.

Operate at 3 different fan speeds!

Low - 780 RPM at 1500 CFM
Med - 1000 RPM at 1900 CFM
High - 1150 RPM at 2400 CFM

Designed to operate at 3 angles!

Aim at the floor, tip back or tip up to move air and dry floors, furniture, curtains, walls and ceilings!

Designed to Operate at Three Angles

① Flat

Aim at floor to move air or dry carpets

② 45 Degrees

Tip back to dry curtains and walls

③ 90 Degrees

Tip up to dry walls and ceilings

Warranty: Lifetime warranty on body, 1-year on motor and all electrical components.

- The 1/2 HP, 3-speed motor gives ample power for drying surfaces and moving musty air.
- Includes a 10" wide, steel fan blade and frame with a 14" chassis opening.
- Air intake and outlet screens keep airflow free from debris and protect fingers from the powerful steel fan blades.
- Designed to operate at three angles and tilts at both 45- and 90-degree angles. Aim the air stream at the floor to move air and dry carpets or tip back to dry curtains, walls and ceilings.
- Stack up to three air mover units for easier storage.
- Balanced design with molded carrying handle makes transportation easy.
- Roto-molded polyethylene body withstands the toughest working environments and resist dents, chips and cracks. It's easy to clean and always looks professional.
- Includes (1) 20-foot, 16/3-gauge safety power cord.

APPLICATIONS

Operates in three positions to allow you to dry walls, floors, ceilings and furniture with ease.

Ideal for drying furniture, drying paint, flood clean-up, moving musty air and more!

SPECIFICATIONS

Model: 90-0000

Motor: 1/2 HP, 115 V

3-Speed Fan: 780 RPM | 1000 RPM | 1150 RPM

Air Flow Rates: 1500 CFM | 1900 CFM | 2400 CFM

Body: Molded, High-Density Polypropylene

Weight: 32 lbs.

Dimensions: 19.2" L x 14.5" W x 19.5" H

TIP: Best air mover on the market with high CFM! Compare our 2400 CFM to the industry standard of 1700 CFM.

Manufactured with Pride in the U.S.A.

FORCE 14 Upright Vacuum

FORCE 14

SPECIFICATIONS

Model: 60-1000

Cleaning Path: 14"

Brush Speed: 4000 RPM

Vacuum Motor: 12 amp / 1000 Watt

Brush Bar Drive Motor: 1.3 amp / 145 Watt

Furniture Guard: Yes

Filtration System: Standard Filtration (HEPA Available)

Sound: 78 dB

UL Approved: Yes (Commercial Use)

OSHA Compliant: Yes

Unit / Shipping Weight: 19.8 lbs. / 23.8 lbs.

Warranty: 1-year.

- The modular design and construction of the FORCE 14 makes maintenance fast and easy.
- A powerful 12 amp motor produces 74.8" of vacuum lift, cleaning carpets in just one pass.
- A separate 1.3 amp motor spins the roller brush bar at 4000 RPM. This motor is designed with overload protection, a non-slip drive belt and an electronic sensor to detect brush bar blockage or belt breaks.
- The motor is dust protected with an in-line filter which makes this vacuum reliable and long-lasting.
- High-efficiency filtration collects the finest dust in a 4.75 quart, dual-wall micro-filtration bag.
- Manual, 4-position carpet height adjustment.
- When the vacuum handle is in the upright position at startup, or when vacuum tools are being used, the roller brush motor automatically turns off to protect the carpet.
- Its balanced center of gravity allows for a light handle weight and prevents tipping when using accessories.
- The telescopic wand with stretch hose extends up to 9-feet for easy cleaning of high, low and tight spaces.
- The polished stainless steel glide plate lets the Force 14 ride gently on the carpet.
- Non-skid, non-marking rear wheels make transport and stair climbing easy and do not scuff floors.
- Includes a handle-mounted tool kit: (1) upholstery brush; (1) dusting brush and (1) crevice tool.
- Includes (1) 50-foot interchangeable safety power cord with strain relief.

APPLICATIONS

Designed for everyday and commercial use to sweep carpeting. Ideal for hotels, lobbies, offices and more! With a powerful 12 amp motor producing 74.8" of vacuum lift and a wide 14" cleaning path, this vacuum allows you to sweep carpets in just one pass!

ABOUT OUR FLOOR MACHINES

Mercury Floor Machines has been making high-quality, durable and long-lasting floor machines for over 50 years. Our machines, known as “the original floor machine,” are heavy and add a bit of elbow grease to the cleaning process. They include polished aluminum castings that we polish ourselves in-house. We are one of the few companies left that have strong, all-metal castings that are easy to clean and look newer longer! Our “Best Warranty on the Planet” Program is a key ingredient to our distributors’ ultimate success!

FEATURES AND BENEFITS

Warranty: “Best Warranty on the Planet” – 5-years on motor, gearbox, transmission and chassis (unless otherwise noted).

- Powered by a precision-balanced, heavy-duty 1.5 HP 66-frame motor for easy operation.
- The triple-planetary high torque transmission handles the most demanding jobs.
- Strong, all-metal polished aluminum reinforced aprons. Easy to clean and look newer longer!
- All metal chassis gives added weight for a faster, longer lasting and brighter shine.
- Scrub with a brush 2” smaller than the machine size, or a pad and pad driver with riser 1” smaller than the machine size.
- Safety-enhanced interlock switch on the handle leaves both hands conveniently in control.
- Safety-enhanced, non-conductive dual triggers on the handle eliminate shock potential.
- 48” tall handle is fully adjustable and is comfortable for all operators.
- Non-marking, super-thick bumper protects walls and baseboards.
- Includes 6” non-marking wheels for easy transport.
- Includes (1) 50-foot, 14/3-gauge safety power cord. Motor plugs into cable at the base of the handle for easy maintenance.

Includes Pad Drivers

12", 16" and 20" pad drivers with B/92 style clutch plate (for all other brushes, order 11 in., 15 in. and 19 in. Pad Drivers with B/92 Style Clutch Plate)

ONE-TOUCH DRY SCRUB Floor Machine

Chemical-free stripping, used for refinishing wood floors and for scrubbing and stripping floors.

Machine Warranty: 1-year (including motor, handle assembly and all critical wear items)

Backpack Warranty: Lifetime on rotomolded body, 5-years on motor and 1-year on all electrical components.

Heavy-duty, high quality components prepare floors to be refinished in half the time compared to the conventional stripping process. Cleans edges and corners in every room. No stripper run-off and no ruined floors under doors. No side torque and operates in any direction.

Remove grease on kitchen floors! Use with an Astroturf pad.

Model	Orbital Speed	Motor	Cleaning Pad Size	Weight
DS-18	1725 RPM	1 HP	12 in. x 18 in.	120 lbs.

Includes: 6-Quart Raven Backpack Vacuum

Scrubbing and Filler Pads Required with use of the Machine – Sold Separately

42071218	Maroon Stripping Pad (10 per Case)	40441218	Filler Pads (5 per Case)
-----------------	------------------------------------	-----------------	--------------------------

Oscillating plate completely enclosed by dust skirt and when used in conjunction with the Raven 6-Quart Backpack Vacuum, captures 95% plus of all airborne particles. Light tacking is all that is needed to prepare floor for a new coat of finish!

Manufactured with Pride in the U.S.A.

ABOUT OUR BURNISHERS

Mercury Floor Machines makes ultra high-speed burnishers in three motor speeds: 1170, 1500 and 2000 RPM. Burnishers operate at a higher speed than slower buffers and provide a quick and economical way for a business to have a clean appearance. They are able to cover large spans of area compared to buffers. This makes burnishers useful for cleaning large surfaces in businesses or even supermarkets.

FEATURES AND BENEFITS

Warranty: "Best Warranty on the Planet" – 5-years on motor and chassis.

- Burnishing power with 1.5 HP, 15 Amp, D/C rectified motor that eliminates burn-outs, low voltage and startup torque problems.
- Reliable 1170, 1500 or 2000 RPM motor speeds.
- 19", 20" or 21" aprons with non-marking, full wrap bumpers protect walls and baseboards.
- Low profile drive apron easily reaches under counter coves and beds.
- Balanced chassis design provides precise pad pressure. Includes flexible pad holder with threaded pad-centering device that conforms to floor irregularities, delivering an even shine and gloss.
- All metal chassis gives added weight for a faster, longer lasting and brighter shine.
- Designed with safety in mind. The interlock switch leaves both hands conveniently in control. Safety enhanced, non-conductive dual triggers eliminate shock potential.
- 6" non-marking operating wheels and separate 4" transport wheels prevent tracking of contaminants.
- Fully adjustable 48" handle is comfortable for all operators.
- Includes (1) 50-foot, 14/3-gauge safety power cord. The motor plugs into the cable at the handle base for easy maintenance.

[Ask about 230 Volt Models.](#)

Ultra D.C. Ultra High-Speed Burnishers

Also called a "floor polisher" and is specifically designed for high-speed polishing.

Brush Speed: 1170, 1500 or 2000 RPM

Apron Sizes: 19 in., 20 in. or 21 in.

2000 RPM models include a front caster assembly. Front leveling provides precise pad pressure for even shine and gloss.

Model	Apron Size	RPM	Weight

AIR MOVERS AND VACUUM EQUIPMENT

Mercury Floor Machines' air movers are ideal for drying carpets, furniture and paint, flood clean-up, moving musty air and more. The roto-molded polyethylene body withstands the toughest working environments and resists dents, chips and cracks. It's easy to clean and always looks professional.

FEATURES AND BENEFITS

Warranty: 10-years on roto-molded body, 1-year on motor and all electrical components.

- The 1/2 HP, 3-speed motor gives ample power for drying surfaces and moving musty air.
- Includes a 9.5" wide, steel fan blade.
- Air intake and outlet screens keep airflow free from debris and protect fingers from the powerful steel fan blades.
- Includes a top-of-the-line retractable handle for single-handed use and maneuverability.
- Stack up to three air mover units for easier storage.
- Balanced design with molded carrying handle, cord wrap and double ball-bearing wheels make transportation easy.
- Includes (1) 20-foot, 16/3-gauge safety power cord.

CORSAIR (90-2000) High-Roller (90-2000WH)

Stack up to three air movers for easier storage!

Designed to operate in three positions and tilts at both 45- and 90-degree angles. Aim the air stream at the floor to move air and dry carpets or tip back to dry curtains, walls and ceilings.

Model No. 90-2000WH includes retractable handle.

Model	Weight	Dimensions		
90-2000	31 lbs.	19.2" L x 14.5" W x 19.5" H		
90-2000WH	33 lbs.

Air Flow Rates	1060 CFM	1360 CFM	1500 CFM	

ACE 10-Quart Backpack Vacuum

Worn on the back to allow for easy and quick vacuuming while walking. Ideal for hallways!

Warranty: 5-year warranty on body, 2-years on motor, 90-days on tools.

- Fastest soil pick-up with a 1.5 HP, 2-stage, 1122 Watt motor and 120 CFM airflow, making the ACE significantly more proficient than traditional uprights.
- Collects the most soils, leaving exhaust air cleaner with a disposable, heavy-duty paper micro-bag mounted inside a washable cloth shakeout bag.
- Lightweight ergonomic design, with a cushioned back-pad that fits the curve of any operator's back. The comfortable shoulder and waist belt design reduces fatigue, making work easier.
- Two lever-style latches lock the lid to the body and a twist top lid with static-dissipating vacuum hose and swivel cuff allow for left- and right-handed vacuuming.
- Includes easy-to-reach On/Off power switch and (1) 50-foot, 16/3-gauge safety power cord.
- Includes 5-piece tool kit: 5" upholstery tool, 3" round dust brush, 14" scalloped floor tool, 17" crevice tool and 56" 2-piece wand.

AIR MOVERS AND VACUUM EQUIPMENT CONTINUED

VVC-20
Chromed Steel

STORM 20-Gallon Wet / Dry Vacs

Used for both wet and dry vacuuming. Ideal for flood or spill clean-up.

Warranty: 1-year warranty on motors, 90-days on tools and accessories.

- Powerful dual 1.335 HP (total 2.67 HP) / 2000 Watt vacuum motors with separate switches for each motor.
- High 225 CFM airflow and 78" water lift.
- 20-gallon tank capacity (15-gallon wet). Select chromed steel or super-durable poly tank construction.
- Weighing only 63 lbs. (empty), this lightweight wet/dry vac is steady on the floor and makes transport easy.
- Cloth vacuum filter controls dust and protects motors. Easy to remove and wash.
- Includes a 10-foot vacuum hose, strong chromed-plated steel "S" wand and durable vacuum head.
- The 1.5" vacuum hose locks securely to the tank port.
- Includes a 5-piece tool kit: crevice tool, dust brush, squeegee tool, scalloped bristle floor tool and 2-piece wand.
- Includes (1) 50-foot, 16/3-gauge safety power cord.
