GREEN EARTH SOLUTIONS CARPET CLEANER / SPOT REMOVER

Product Description

Green Earth Solutions CARPET / SPOT CLEANER was formulated to remove tough stains by penetrating deep and lifting them out. It contains advanced surfactant technology that emulsifies, reduces surface tension, breaks up stains and encapsulates them for easy removal. It is clear and safe for any material that is both colorfast and color stable. It also neutralizes odors and leaves behind a fresh cleaning scent.

Features

- Water-based Surfactant
- Does not attract or repel dust and dirt
- Non-Toxic, Non-Flammable and contains no solvents
- Economical
- Ultra concentrated formula
- Eco-Friendly

Directions For Use

1. Simply spray on the carpet to be cleaned and wait a few seconds for solution to begin working.
2. Blot or rub gently with a clean, damp, colorfast cloth or sponge. Let air dry or vacuum excess solution.

Dilution Ratios

Normal: 1 oz of **Green Earth Solutions Carpet / Spot Cleaner** to 1 quart of water (32 to 1)

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN.

EMERGENCY ACTIONS: Have product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

GREEN EARTH SOLUTIONS DEGREASER CLEANER

Product Description

Green Earth Solutions DEGREASER CLEANER is a highly concentrated blend of surfactants, emulsifiers, and builders, that aggressively cleans and degreases in one operation. While very effective on normal greases and oils, **DEGREASER CLEANER** also has been proven to be particularly effective in degreasing animal fats. Its high foaming action provides extra cling to vertical surfaces for more effective cleaning.

Directions For Use

1. Apply diluted solution liberally to surface. DO NOT treat more than 250 sq ft at one time.
2. Allow solution to remain on floor for 2-5 minutes before scrubbing.
3. Remove solution with vacuum or mop.
4. Rinse thoroughly with cold water.

Dilution Ratios

For VERY HEAVY DEGREASING

- Dilute 1 part DEGREASER to 32 parts water. (4oz / gal)

For HEAVY DEGREASING

- Dilute 1 part DEGREASER to 64 parts water. (2oz / gal)

For MEDIUM DEGREASING

- Dilute 1 part DEGREASER to 128 parts water. (1oz / gal)

For LIGHT CLEANING

- Dilute 1 part DEGREASER to 192 parts water. (3/4 oz / gal)

For maintaining, cleaning and degreasing quarry tile floors, dilute to 1/2 to 1oz per gal of water.

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN.

EMERGENCY ACTIONS: Have product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

In case of emergency call 1-800-535-5053

Uses

For emulsifying oils, greases and animal fats and the cleaning of hard surfaces.
