

TECHNICAL DATA SHEET
Green World Solutions
FLOOR FINISH
Environmentally Responsible

A MORE MINDFUL WAY OF CLEANING

Product Description

Designed to build a brilliant gloss, our environmentally preferred floor finish creates an amazing shine and increased durability with each application. Green World Solutions™ Floor Finish has been designed to cater those in need of “Green Floor Care” programs. Our formula meets the strict requirements of Green Seal without compromising quality and performance.

Uses

Designed for use on vinyl, VCT, linoleum, quarry tile, stone and brick.

Product Information

pH	8.0 - 9.0
Color:	White
Density:	8.8 # / Gallon
Flammability:	Non-Flammable
Shelf Life:	1 Year 22°C 30 Days 50°C
Stability:	Stable
Odor:	No Odor

Features

- High Gloss
- Non-Powdering
- Non-Yellowing
- Zinc-Free
- Green Seal Certified
- Easy Maintenance
- Superior Response to Burnishing

Directions For Use

(Based off 2,000 to 3,000 square feet per gallon)

1. Clean or strip area to be coated.
2. Rinse floor thoroughly and allow to dry.
3. Apply 3-5 medium coats using cross coat technique.
4. Allow 30-40 minutes to dry between coats.
(Local variations in temperature and humidity can affect drying times)
5. One hour after the last coat has dried, finish may be burnished if desired

Restorative Maintenance

Completely remove all old finish and soil from floor surface following strip procedure instructions on stripper label. Floor surface must be clean, dry and free of residue before finish is applied. Apply finish in uniform, thin to medium coats with a clean synthetic finish mop or applicator system. Allow each coat to dry thoroughly before applying additional coats, usually 30-40 minutes.

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN

HARMFUL IF SWALLOWED

For institutional or commercial use.

CAUTION: EYE irritant. May cause skin irritation. May cause respiratory irritation. Wear safety glasses and rubber gloves when handling. Wear protective footwear and clothing when applying.

Disposal: Please dispose of this product and waste generated from this product in accordance with all applicable local state, and federal regulations. Please recycle container.

CONTAINER: Recyclable HDPE container.

KEEP CONTAINER CLOSED WHEN NOT IN USE. DO NOT REUSE CONTAINER.

NON-CORROSIVE Per D.O.T. Standards

Chemical Emergency Response Number InfoTrac: 1-800-535-5053

Uses

For use on most floor types including tile, terrazzo, concrete, vinyl, rubber and more.

Product Information

pH	11.0 - 11.4
Color:	Clear
Density:	8.45 # / Gallon
Flammability:	Non-Flammable
Shelf Life:	1 Year 22°C 30 Days 50°C
Stability:	Passes
Odor:	Mild

TECHNICAL DATA SHEET
Green World Solutions
GLASS CLEANER
Multi-Surface Cleaner

A MORE MINDFUL WAY OF CLEANING

Product Description

Our ultra-concentrated formula removes soils from glass and many other hard surfaces without leaving any film or residue behind. Green World Solutions™ Glass Cleaner has been designed to Green Seal specifications and is environmentally responsible, non-toxic, biodegradable, alcohol free and was formulated without VOC's (Volatile Organic Compounds).

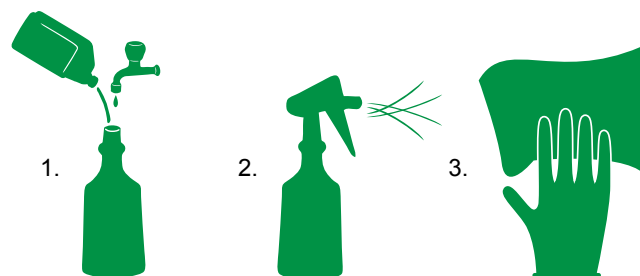

Features

- Dries streak-free
- Cuts through grease
- Emulsifies surface oils
- Dissolves insect residue
- Contains no phosphorous
- Alcohol-free
- Green Seal Certified
- Contains no VOCs
- Biodegradable
- Environmentally Responsible

Directions For Use

1. Simply spray on the surface to be cleaned and wait a few seconds for solution to begin working. (For heavy soils let sit for 30 seconds)
2. Wipe off with clean rag or paper towel.

Uses

Cleans free on glass, plastic, ceramic, formica, stainless steel, paint, enamel and many other surfaces.

Product Information

pH	8.0
Color:	Blue
Density:	8.8# / Gallon
Flammability:	Non-Flammable
Shelf Life:	1 year 22°C 30 Days 50°C
Stability:	Passes 3 Freeze-Thaw Cycles
Odor:	No Odor

Dilution Ratios

1 oz. of Green World Solutions™ Glass Cleaner to 1 quart of cold water (32 to 1)

Precautionary Statements

KEEP OUT OF REACH OF CHILDREN

PPE: Protective goggles must be worn during application. Ensure adequate ventilation, especially in confined areas.
PRODUCT DISPOSAL: Dispose of in accordance with local, state and federal regulations.
CONTAINER: Recyclable HDPE Container.
DO NOT: Refill or reuse bottle.
IMPROPER USE: May cause skin irritation. Not corrosive to skin. May cause severe gastrointestinal irritation, nausea and diarrhea if ingested. May increase the risk of health effects. Avoid eye and skin contact.
IMPROPER DILUTION: Under dilution may affect product performance. Over dilution may leave a residue. May increase the risk of health effects.
FIRST AID
EYES & SKIN: Flush with water (eyes 15 minutes). If irritation persists, seek medical attention.
INGESTION: If swallowed, give 2-3 large glasses of water. DO NOT induce vomiting. Seek medical attention.
