“Ask Us. We Know How!”™

Whether you need assistance converting to a green cleaning program, maintaining your floors, eliminating restroom odors or complying with Federal HazCom laws, your local Triple S distributor can show you how. Just ask us! One of our professional sales consultants will be happy to assist you.

Your Single Source for Sanitary Solutions...

Triple S is a member-owned organization of the leading, independent sanitary supply distributors. **With over 175 locations** throughout the U.S., we are capable of servicing local, regional and national accounts. This catalog represents the most popular products in the SSS line.

Contact your local Triple S Distributor for availability and pricing.

Products + Processes = Better Outcomes

Nowhere are expectations for hygiene higher than in the healthcare industry. It takes more than providing cleaning products to keep your facility clean. Using the correct processes and procedures means better outcomes.

Whether your facility is a stand-alone walk-in treatment facility or a large multi-building campus, we can help you:

- Train your staff
- Manage staff turnover
- Provide solutions to reducing healthcare acquired infections
- Improve patient outcomes (satisfaction)
- Improve bed turnover

For more information contact your local Triple S Distributor, 800-323-2251.

EarthCare[®] Green Guide

Green Cleaning represents a better way to keep your facility safer and healthy for our employees and patrons. Use this 8-step guide as a tool to get your green program started.

Step #1 - Create a Plan

- Consider writing a mission statement - i.e. To provide a cleaner, safer, healthy environment for all of the staff, students, patrons of XYZ Company [School System].
- Your plan should consider the people who are involved, the products required and the procedures to use them.

Step #2 - “Stop Dirt at the Door”

Your green program starts outside of the building. Eighty percent of dirt comes from the outside. Mats should be at all entrances - inside and out. Using a high quality mat will provide longer mat life and save money in the long run. Mats should be at least 10-12 feet in length and traffic should be directed to stay on the mat.

For a selection of mats and matting solutions that conform to US Green Building Council guidelines for entryway matting, please see pages 137-138.

Step #3 - Use Green Certified Products

Replacing existing cleaners with Green Seal[®], EcoLogo and DfE approved cleaners is a start; however, don't forget training. Your Triple S Distributor can not only help you convert your existing chemical program to a green program, but also train your staff on any new procedures that may be required.

Green Cleaning Tips:

- Focus on touch points to reduce cross-contamination - doorknobs, etc.
- Apply disinfectants properly - use proper dwell time to use minimal amount of product.
- Carpet extracting - use air blowers to reduce the change of mold growth.
- Spills - quick clean-up will require milder and fewer chemicals.

For Green Certified products, see pages 47, 48, 64, 65, 67, 83-87, 89, 94, 95, 112, 114, 117-121, 124, 127, 129-134, and 150-155.

For Green Certified floor care products, see page 4-6 and 11.

Step #4 - Ensure Proper Vacuuming

We recommend the use of vacuums approved by the Carpet and Rug Institute (CRI) Green Label Program. For a vacuum to be approved by CRI it must pass three stringent tests for soil removal, filtration & dust containment and carpet retention (appearance). Part of your vacuum program should include a vacuum filter bag program/schedule. Be sure to check filter bag before each use. Don't wait until filter bags are full. Your equipment should be ergonomically designed to protect the user's health and reduce fatigue and injuries.

For CRI tested cleaners and approved vacuums, please see pages 56, 57, 60-62.

What the EarthCare[®] Seal Means to You.

The presence of the Triple S EarthCare[®] Seal indicates that a product meets “green” standards from a recognized organization (such as Green Seal, USGBC, EPA) or the product offers significant features that contribute to the preservation and sustainability of a healthy environment. Look for the Triple S EarthCare[®] Seal when you want to make the places where we work, live, learn and play healthier.

This Triple S EarthCare[®] Green Guide was created to help facility managers choose more sustainable products.

For more information, contact your Triple S Distributor.

Step #5 - Use Paper Products with Recycled Fiber

Use paper products that meet the EPA Comprehensive Procurement Guidelines for Sanitary Paper/Tissue or Green Seal[®] Certified towel and tissue. Consider using roll tissue where applicable for controlled dispensing.

For paper products that meet the EPA Comprehensive Guidelines for sanitary paper products, see pages 150-155.

Items	Post Consumer Fiber %	Total Recovered Fiber %
Bathroom Tissue	20-60%	20-100%
Paper Towels	40-60%	40-100%
Paper Napkins	30-60%	30-100%
Facial Tissue	10-15%	10-100%

Step #6 - Use Green Can Liners with Post Consumer Content

Use can liners that meet the EPA Comprehensive Procurement Guidelines for Can Liners. Can liners that meet the guideline are manufactured with 10-100% post consumer content. All Triple S Terra Renew and Market Value “MV” Terra Renew can liners meet the EPA guidelines.

For can liners that meet the EPA Comprehensive Guidelines for post consumer waste content, please see pages 142-144.

Step #7 - Recycling Program

Implement an effective recycling program for cans, bottles, plastics, and cardboard. All food containers and soda cans should be rinsed to avoid attracting pests. Building occupants should understand how to properly dispose of refuse and they should be responsible for separating different types of refuse. Properly recycle all other universal waste materials such as fluorescent lamps.

For a complete selection of recycled containers, please contact your Triple S Distributor.

Step #8 - Consider Other Green Tools and Products

Microfiber - the ideal tool for environmental cleaning

Microfiber offers tremendous cleaning advantages. Microfiber removes four times more dirt and bacteria than conventional products that basically push and stir up dirt. With 200,000 fibers per square inch, microfiber can absorb seven times their weight in water. These features make microfiber products much lighter and easier to handle (ergonomic) than conventional products. From an environment standpoint microfiber offers:

- Reduction in chemicals.
- Reduces cleaning times - less wringing, faster cleaning times, faster drying times.
- Lightweight - less strain and fatigue for staff.
- Saves water - uses one-third less water.
- Highly efficient - removes four times more dirt and bacteria.
- Long product life - withstands 500 or more launderings. A 60% cost savings compared to conventional mops.
- Positive charge material holds dirt and does not push dirt into the air.

For innovative microfiber cleaning tools, please see pages 37-44.

Other tools with a green advantage:

- OmniAir[™] and Alero PT Chameleon Odor Management Systems - For patron delight, combating odors in a restroom is a necessity. Both systems provide safer alternatives. This low VOC's fragrance system has no propellants, no batteries and have recyclable components. See pages 69 and 71 for more information.
- Water Saving Devices - Automatic plumbing fixtures in bathrooms reduce water usage and reduce odors. See pages 80-81 for more information.
- Touch-Free Devices reduce cross-contamination and encourage frequent use. See pages 80-81, 114-120, 132, 134-135, 148, 151, and 154.

Green Certified Floor Care

Green Certified - Floor Finishes

SSS® Pristine HC UHS Zinc Free Floor Finish

Formulated with patented zinc free polymer technology that is designed to work with any type of maintenance program. Provides high gloss and unmatched gloss retention. New chemistry demonstrates exceptional soil resistance and color retention that far exceeds the leading commercial zinc containing finishes and allows the finish to form good film even in poor drying conditions. Ideal for healthcare facilities, schools, and universities. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

48031

2.5 Gal.

2/cs

SSS® Legacy™ Metal-Free Floor Finish

Legacy meets today's need for a finish that contains no zinc or other heavy metals that can be harmful to wastewater treatment systems. Can be maintained with scrub and recoat procedures, also spray buffing or high speed burnishing. An environmentally preferable metal free floor seal and finish formulated with the most advanced polymer technology. Low odor, exceptional durability. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

Green Certified - Synthetic Floor Protectant

SSS® Tundra Synthetic Floor Protectant

Environmentally responsible synthetic floor finish. Designed to work on any type of synthetic floor due to its exceptional durability and flexibility. Contains no zinc or other heavy metals. Not harmful to wastewater treatment systems. Specifically formulated to work on rubberized flooring due to its elastic properties that will prevent cracking. Low odor finish tough enough to stand up to excessive wear that occurs on synthetic sport floors. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

48103

2.5 Gal.

ECOLOGO Certified products, services and packaging are certified for reduced environmental impact. ECOLOGO Certifications are voluntary, multi-attribute, life cycle-based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

SSS® Tornado pH Neutral Floor Stripper

Low odor neutral pH stripper perfect for use in places where a high pH stripper cannot be used. Contains no ammonia, butyl, caustic or other harsh material. Contains no VOC levels that exceed established regulatory limits. Ideal for use on synthetic flooring such as rubber, linoleum or anywhere a high pH stripper will damage the substrate. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

48111 2.5 Gal. 2/cs

EnvirOx® Green Certified Neutral Floor Cleaner Concentrate

Powered by GNx2 Technology, it outperforms conventional floor cleaning technology while raising the bar for health, safety and environmental impact. Pre-plugged chemical for the H2GO™ portable dispenser. Your one product for all your hard floor cleaning needs. Outperform conventional floor cleaning technology while raising the bar for health, safety and environmental impact. Use for mopping, auto-scrubbing, tile and grout renovation. Use for virtually any hard floor application! Green Seal® Certified.

Green Certified - Floor Maintenance

SSS® Compass Neutral Floor Cleaner

High performance neutral pH cleaner. For hard surface floors. Prolongs the life of floor finish. Designed for daily auto-scrubbing or damp mopping. Formulated to meet strict environmentally preferable requirements. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

13138 Gal. 4/cs
13216 2 L Navigator 24X Floral 2/cs

SSS® Recharge Polymer Based Mop Gloss On Restorer

An ideal companion for any environmentally friendly floor care program. Regular use keeps floors looking great day after day. Concentrated for economical use dilutions. Use of an automatic scrubber is highly recommended. Meets today's need for a product that contains no zinc or other heavy metals that can be harmful to wastewater treatment systems. A special proprietary mix of acrylic polymers and surfactants will bond to the surface of the floor to create an antislip surface, while reducing the negative impact conventional floor care products have on our environment. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

48058 Gal. 4/cs

SSS® Savanna Concentrated Neutral Floor Cleaner

A very low toxicity and VOC, biodegradable, concentrated all surface cleaner. Specially designed for everyday light duty spray and wipe cleaning. Also designed for floor cleaning. Removes routine soils from floors, walls and other surfaces. Excellent for use in mop and bucket cleaning or automatic floor scrubbers. Neutral pH will not harm floor finishes. No rinsing required. EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

48101 Gal. 4/cs
48254 2 L Navigator 54 Fresh & Clean 2/cs

Floor Finish

SSS® Navigator 56 Wild Fire General Purpose Scrub & Recoat

A biodegradable, very low toxicity and VOCs, environmentally responsible floor cleaner. Ideal product for any type of floor maintenance program. Helps extend time between restorative stripping procedures. Low foam formula leaves a clean, film free surface. For use in an automatic scrubber. Specifically designed for the interim maintenance procedure of scrubbing and recoating without the use of harmful chemicals, such as: phosphates (promote algae blooms), EDTA (carcinogen) and NPE (harmful biodegradable intermediate). EcoLogo® Certified, EarthCare® Certified and qualifies for LEED credits.

Floor Finishes

SSS® Matrix Ultra High Solids UHS System Finish

The Polymer Matrix Technology™ coating that provides the highest level of gloss and protection in the fewest number of coats. High solids. Excellent leveling, easy to apply and low odor formula.

13114	Gal.	4/cs
13115	5 Gal. Pail	ea

SSS® Alpha 17 Low Maintenance Mid Solids Finish

Designed for a low maintenance floor care program. High performance at an economical price. The coating provides the gloss and durability, benefits gained from Polymer Matrix Technology™ in a mid solids formula. Excellent leveling, easy to apply, low odor formula.

13124	5 Gal. Pail	ea
-------	-------------	----

SSS® Starquest High Solids UHS System Finish

A premium, high solids ultra high speed coating that provides the gloss and durability benefits gained from Polymer Matrix Technology™. High performance at a competitive price. Excellent leveling, easy to apply, low odor formula.

13121	5 Gal. Pail	ea
-------	-------------	----

Which Floor Finish do I use?

There are many factors to consider including: **foot traffic**, type of **equipment** you have, **gloss level** (shine), **green certification** requirement, and **labor**.

Your local Triple S Member-Distributor can provide the expertise, or consult our Floor Finish Decision maker at www.triple-s.com/ffd.pdf

Pro Series Floor Finishes

SSS® Slam Dunk 25 Ultra High Solids System Finish

For best gloss and durability. Formulated with a patented polymer technology that is designed to work with any maintenance method and any equipment on all types of floors. Requires fewer coats and provides outstanding gloss. The chemistry allows the finish to form good film even in poor drying conditions. Response is unsurpassed with any type of buffing or burnishing equipment, propane, battery, or cord electric.

48084 2.5 Gal. 2/cs

SSS® Victory Lane Ultra High Solids Finish

Ultra high solids low maintenance floor finish. Exceptional durability and buffability. Ready for traffic immediately after application without burnishing. High gloss. When used on high traffic floors, wear levels are dramatically superior to conventional floor finishes. After weeks of wear it will snap back to its original shine with the aid of a spray buffing with a 175-300 RPM machine.

48083 2.5 Gal. 2/cs

SSS® Down Force Extended Wear Finish

A fast drying high performance ultra durable floor finish with exceptional buffability. Ready for traffic immediately after application without burnishing. Tests on high traffic floor produce wear levels dramatically superior to conventional floor polishes on the market today. After weeks of wear it will snap back to its original beauty with the aid of a spray buff or mop-on restorer.

48104 2.5 Gal. 2/cs

SSS® Checkered Flag Floor Finish

A premium quality, metal cross-linked acrylic floor finish designed to give exceptional initial gloss with minimum amount of coats due to high solid properties. Ideal for healthcare, schools, retail and offices. Dries to a hard durable finish that withstands daily high traffic yet responds well to low or high speed spray-buffing.

48080 2.5 Gal. 2/cs

SSS® Pacer Floor Finish

An easy to use high solids acrylic floor finish designed for high traffic areas where high gloss and durability are critical. Highly responsive formula. Compatible with 175-1500 RPM equipment. Ideal for use in supermarkets and department stores. An excellent product for damp mopping and spray buffing with any speed buffing machine.

48074 2.5 Gal. 2/cs

SSS® Turn 4 Floor Finish

A metal cross-linked, acrylic floor finish with high initial gloss and durability with exceptional responsiveness to spray buffing. Excellent for schools and institutions. A true workhorse in any maintenance program.

48075 2.5 Gal. 2/cs

SSS® Final Lap Hard Surface Seal & Finish

An extremely durable, long lasting seal and finish designed especially for terrazzo, quarry tile, brick, stone VCT and all other non-resilient floors. Levels and adheres on these surfaces. Leaves a high quality protective coating.

48085 2.5 Gal. 2/cs

Floor Sealer/Stripper

SSS® NanoForce Nano Powered Floor Finish

A pure acrylic finish formulated with a nano-additive that provides outstanding scratch resistance, abrasion resistance, and durability. This finish will not yellow. Can be stripped easily with conventional floor strippers. The nano-additive significantly improves leveling properties which allows the finish to be distributed uniformly; ultimately easing the application process. For its ultra-durable and low maintenance properties, it is the cost conscious choice for high traffic areas.

48156	Gal.	4/cs
48157	2.5 Gal.	2/cs

Floor Strippers

SSS® PS-X2 Ultra Power Stripper

Quickly penetrates, emulsifies and liquifies multiple layers of floor finish for complete removal. This speed stripper contains no harsh caustics and does not leave harsh alkaline residues. PS-X2 uses a concentrated solvent system that re-dissolves the floor finish, rather than breaking the coating loose from the floor. Effective in a "No-Scrub" application. Dissolved finish stays liquified and does not clog stripping pads. No-rinse formula eliminates flood rinse.

13174	Gal.	4/cs
13175	5 Gal. Pail	ea

Floor Sealers

SSS® Nova Seal & Undercoat

Improves adhesion of finish to a stripped floor. Stain resistant, tough, protective base coating.

13044	Gal.	4/cs
13045	5 Gal. Pail	ea

SSS® Centaur No Rinse Stripper

Heavy-duty emulsifier for speed stripping. No agitation required in most situations. Pickup with wet vacuum. No flood rinse required.

13080	5 Gal. Pail	ea
-------	-------------	----

SSS® Starter Acrylic Floor Sealer

An all-acrylic floor sealer formulated to provide a hard, durable undercoat for use prior to the application of any floor polish. Never yellows. Will continue to protect floor after all floor finish or wax has worn off.

48086	2.5 Gal.	2/cs
-------	----------	------

SSS® Lazer Edge Non Ammoniated Stripper

Aggressive, high pH, fast-acting emulsifier. Concentrated solvent and surfactant system. Requires flood rinse. Ideal for problem floors. Non ammoniated, low odor.

13129	Gal.	4/cs
13130	5 Gal. Pail	ea

SSS® Taurus Heavy Duty No Rinse Stripper

Designed for mechanical stripping agitation with a 175 RPM floor machine. No butyl, no ammonia. Flood rinsing not required.

13083 5 Gal. Pail ea
13084 55 Gal. ea

SSS® Crew Chief No Rinse Floor Stripper

A very aggressive floor finish emulsifier designed for easy and fast removal of heavy buildups and excessively burnished finishes. Sassafras fragrance. No phosphates, no abrasives, low foam. Biodegradable. May be used as a no-scrub stripper or with a conventional floor machine and pad depending on the concentration of the product and the condition of the floor.

48077 2.5 Gal. 2/cs

Pro Series Floor Strippers

SSS® Red Zone High Powered Low Odor Floor Stripper

An ultra concentrated high-powered stripper that rapidly penetrates and strips off floor finish. Do not use this product on wood floors or painted surfaces. Strips floor finishes completely in one pass. Requires no rinse. A powerful solvent combined with amines, penetrates and removes multiple coats of burnished finish with minimum labor. Low odor formula is ideal for use in areas where odors are a concern. This unique formula provides the lowest end-use cost per gallon due to its ultra concentration. One quart makes five gallons of stripper.

48110 Qt. 12/cs

SSS® Pit Stop Heavy Duty Floor Stripper

A heavy duty stripper that quickly unlocks all water-based waxes, finishes, and sealers. It is highly concentrated and very effective. Contains no harsh solvents or abrasives. Low foam, biodegradable, no abrasives, sassafras fragrance.

48076 2.5 Gal. 2/cs

Baseboard Strippers

SSS® Enforcer Heavy Duty No Rinse Speed Stripper

A no rinse floor stripper that will solubilize aged and built-up finishes almost instantly. Dissolves finish on contact. Reduces waiting time for removal of finish. May be used as a no-scrub stripper or with a conventional floor machine and pad depending on the concentration of the product and the condition of the floor.

48109 2.5 Gal. 2/cs

SSS® Journey Baseboard Stripper

A special high foaming floor stripper formulation developed to let chemistry do the hard work of removing years of unsightly wax and buildup. Leaves your floor ready for new wax to be applied. Low VOC. Non-ozone depleting. Contains third party green formulas to reduce environmental impact. NSF Listed. Ideal for use on vertical surfaces such as: baseboards and kick plates not normally reached with water thin conventional liquid stripper applications.

05054 16 oz. Aerosol 12/cs

Floor Stripper/Cleaner

SSS® Baseboard Stripper

For use on baseboards and other vertical surfaces. Dirt and wax buildup are quickly emulsified by chemical action. Easy, speedy removal. No waiting, no delay, minimum work, maximum cleaning.

05298

18 oz. Aerosol

12/cs

SSS® Baseboard Stripper

Heavy-foaming product is designed to remove excess floor finish where floor machines cannot reach. The thick foam vertically clings to surfaces and wax is quickly emulsified, leaving behind a smooth, wax-free surface.

21298

19 oz. Aerosol

12/cs

SSS® Navigator 55 Power Play SC Neutral Floor Cleaner

Synthetic floor cleaner designed for a modern floor maintenance program. Slightly acidic pH will not damage the gloss of any finish and is effective at neutralizing harsh cleaner residue left behind. Contains optical brighteners. Controlled foam makes this product ideal for use in automatic scrubbers. Dissolves ice melt/hard water films. Never leaves floor with a soap haze.

Having Trouble with Your Floors?

Although we can't say "we've seen it all", your local rep can help you troubleshoot your floors, or consider downloading our Floor Care Troubleshooting Guide at www.triple-s.com/fcguide.pdf

**SSS® Navigator 57
Double Down Enzyme
Floor Cleaner**

High performance, bacterial enriched floor cleaner, odor eliminator, and grease digester with a pleasant potpourri scent. No rinse required. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean.

48100 Gal. 4/cs
48257 2 L Navigator 57 Potpourri 2/cs

**SSS® Navigator 70
Double Down Enzyme
Floor Cleaner -
Lavender**

High performance, bacterial enriched floor cleaner, odor eliminator, and grease digester with a lavender fragrance. No rinse is required. For use in food service areas, schools, hotels, hospitals, restrooms, and shower rooms. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. Inherent biological action continues to clean.

48287 2L Navigator 70 Lavender 2/cs

**EnvirOx® Green
Certified Neutral Floor
Cleaner Concentrate**

Use for mopping, auto-scrubbing, tile and grout renovation. Use for virtually any hard floor application! Improved cleaning power. Only plant derived renewable resource ingredients. No petroleum based ingredients. Reduced Aquatic Toxicity. Reduced Human Toxicity. Improved Biodegradability. For manual dilution, Eco-Blend. Green Seal® Certified.

114-04B-GS Gal. 4/cs

Floor Restorers/Maintainers

**SSS® Navigator 58
Thermo Force UHS
Floor Restorer**

A one-step cleaner/restorer for use with acrylic finishes and nano infused finishes. A nano additive provides excellent leveling properties, "wet look" gloss, and does not yellow. The "liquid thermoplastic polymer" resists powdering caused by the heat and friction generated with a high-speed burnisher while improving traction. Will not trap soil and is highly concentrated for economical use. For use in automatic scrubbers or mop/bucket.

48170 Gal. 4/cs
48258 2 L Navigator 58 Fresh 2/cs

**SSS® Meteor UHS
Restorer**

A multi-use restorer that can be mopped on or applied with an auto scrubber. Burnish when dry to restore gloss and prolong life of the finish. Concentrated.

13096 Gal. 4/cs

**SSS® Match Point
Mop On Restorer**

The ideal companion product for use with any high speed maintenance program. Regular use of this product keeps floors looking great day after day. Concentrated for economical use dilutions. Ideal for use in auto scrubbers.

48108 Gal. 4/cs

SSS® Bump & Run Cleaner/Maintainer

An all-purpose neutral cleaner/maintainer with superior cleaning power for use on any surface not effected by water. Cleans, polishes, and preserves. Ideal for use with buffing programs. Ideal for use on sealed wood floors for cleaning and buffing finishes to a brilliant shine. Provides excellent emulsifying and penetrating action in both hot and cold water. May be used for damp mopping, auto scrubbing or heavy duty cleaning.

48105 Gal. 4/cs

SSS® Re-Buffer Hi-Speed Buffing Crème

For resilient floors. A unique cleaner and polish that may be used with any speed machine, but produces a better gloss at high speeds. Saves labor by cleaning and polishing in one step. Faster than spray buffing as there is no waiting for drying. Regular use improves slip resistance. Improves any finish by removing soil, heel marks and filling scratches. Used as a regular maintenance program it can save significant time and labor dollars.

48026 Pint 12/cs

SSS® Turn Around Spray Buff

For use in removing black heel marks and dirt while restoring floors to a brilliant shine that will increase the original gloss of the finish. Saves labor by extending time spans between stripping.

48106 Qt. 12/cs

Disinfectant Floor Cleaners

SSS® Navigator 61 Ace 256 Neutral Disinfectant & Detergent

Cleans, disinfects and deodorizes in one step saving you time and labor money. Ultra concentrate, low end-use dilution cost. Neutral pH. Pleasant fragrance leaves surface smelling clean. Hospital grade disinfectant with broad range of kill claims. For use on hard, non-porous inanimate surfaces in hospitals, medical and dental offices, clinics, healthcare facilities, and nursing homes.

48261 2 L Navigator 61 Fresh 2/cs

SSS® Stargate Spray Buff RTU

Designed to repair and restore finish gloss in one easy step. Use with 175 to 1500 RPM equipment as part of a spray buff maintenance program. Prolongs the life of the finish. Ready to use.

13091 Qt. 12/cs

SSS® Navigator 9X Multi Purpose Disinfectant

EPA registered, hospital grade disinfectant kills HBV and many other organisms. Neutral pH can be used on high gloss floors. One step cleaner and disinfectant. Fresh clean fragrance.

13204 2 L Navigator 9X Fresh Clean 2/cs

SSS® DC Gold/Pine Disinfectant Cleaner

Formulated to clean and disinfect while leaving a fresh, deodorizing fragrance. A quaternary based disinfectant this is effective against bacteria including salmonella choleraesuis, pseudomonas aeruginosa, staphylococcus aureus and HIV-1 (AIDS) Virus. May be used on virtually all washable surfaces. Available in lemon and pine fragrances. EPA registered.

13028	Gal.	DC Gold (Lemon)	4/cs
13029	5 Gal. Pail	DC Gold (Lemon)	ea

Cleaner Floor...Greener Earth

Full Cycle™ Technology

Floor Pads and Utility Pads with Enhanced Biodegradation*

- Pads made from 100% recycled PET plastic—from “bottles to pads”
- Formulated to rapidly biodegrade once discarded into an active landfill, 90% biodegradation after 14 months (test results available)
- Leaves no toxins or toxic remnants in the environment
- Only water-based latex resins are used in the binding process when manufacturing Triple S pads
- No hazardous resins used in manufacturing process

*pertains to items that begin with “31xxx”.

SSS® High Performance Stripping Pads

Features thick fibers and a porous open-web construction. Stripping solution flows through pad to rinse out finish and reduce loading for increased pad-to-floor contact. Recommended for use on machines from 175-300 RPM.

3M™ Scotch-Brite™ Surface Preparation Pads

Reduces the need for chemical strippers. Improves productivity - faster than a conventional black pad. Use pad with neutral cleaner or water. Helps reduce labor hours and material costs related to stripping floors. No slippery residue from strippers. No chemical contamination on skin, clothes and shoes. Removes floor finish, leaving a clean surface ready for recoating. Can be used on vinyl tile, marble, terrazzo, concrete and other floor types.

Prepares hardwood floors for finish applications. Use with water-based or oil-based finishes.

What is Microfiber?

Microfibers are densely constructed polyester and polyamide (nylon) fibers that are approximately 1/16th the thickness of a human hair. When woven together, these fibers create a net-like surface area covered with millions of spaces to trap moisture, dirt and debris. The microfibers are able to get into tiny nooks and crevices whereas the traditional cotton cloth and mop fibers can not. The nylon component of the fiber also produces a static charge that attracts dirt, pulling it in and trapping it until the cloth or pad is washed.

Microfiber

SSS® Lightweight MicroPower Cloths

Full size 16" x 16" lightweight microfiber cloth provides great absorption for use on any surface, wet or dry. 230 grams. Available in blue, green, and yellow.

Rubbermaid® Microfiber Equipment

**Rubbermaid® Pulse™
Mopping Kit w/2 Pads**

Industry best microfiber, on-board reservoir, and user-controlled release of solution mean cleaner floors faster, easier, and more effectively. Clean more square feet in less time with this product. Weighs only 4 lbs when fully loaded with solution. 21 oz capacity. Includes trigger handle with fluid reservoir and one 18" microfiber quick connect frame.

1835528 56" L x 4.88" W x 3.75 H Yellow ea

**Rubbermaid® Pulse™
Caddy**

High capacity caddy allows users to clean up to 10,000 sq ft - reducing the frequency of trips to the supply closet. 2 gallon capacity. 14.13" L x 8.75" W x 10.75" H. Designed to be securely transported in Rubbermaid Cleaning Carts for efficient on-the-go refill.

Q966 2 Gal. ea

Why Use Microfiber in Healthcare?

The University of California Davis Medical Center (UCDMC) in Sacramento, CA, had three motivations for changing the way its custodial staff maintained the floors in patient care areas:

1. **Reduce chemical use and disposal.**
2. **Reduce cleaning times for patient rooms.**
3. **Reduce custodial staff injuries and workers' compensation claims.**

Automatic Scrubbers

SSS® Jaguar 26R Micro Rider Scrubber

Offering the best in automatic rider scrubber technology. Highly maneuverable and easy to operate.

- Controls are mounted on the steering wheel for safety.
- 26-inch disc scrub path for high productivity.
- 21-gallon solution and recovery tanks extend the time between dump and refills.
- EcoBoss dispensing system puts you in charge of the cleaning performance.
- Onboard detergent dispensing system saves money, time and the environment.
- Sliding scrub deck eliminates side skirts.
- Quiet mode for cleaning in noise sensitive environments.
- Low step height, wide seat and open operators compartment makes it easy to use by anyone.
- Machine controls mounted on the steering wheel makes using the machine safe and easy.
- Integrated squeegee hanger makes it easy to transport through narrow doorways.
- Available with wet (#86015) or AGM batteries (#86014).

SSS® Panther 26T/28T Auto Scrubber

A Better Way to Clean Floors in Your Facility

- Highly maneuverable scrubber with 28-inch cleaning path.
- Large solution and recovery tanks increase productivity.
- Apply cleaning solution, scrub and vacuum in one pass.
- Heavy-duty cast aluminum squeegee assembly.
- Extra set of squeegee blades onboard.
- Variable pad pressure.
- Simple, easy-to-use controls.
- Rotationally molded housing.
- Variable speed transaxle drive equipped with 12-amp automatic portable charger.
- Available in 26-inch (#86003) and 28-inch (#86005) widths.
- Requires (2) 12V, 215 AH batteries (not included).

SSS® Bearcat 20TD Orbital Auto Scrubber (#86016)

True chemical free finish removal.

- Reduced noise levels to improve operator safety and daytime operation.
- Uses 70% less water and chemical free cleaning.
- 40% improved pad life.
- Increased productivity with long run time and less dump and refills.
- One touch control panel for simple and effortless operation.
- Ergonomically placed control panel and handle.
- Large diameter, non-marking wheels provide high traction.
- Powerful 3/4 HP motor drives high speed orbital agitation.
- Tool free squeegee removal with breakaway design to prevent damage.
- Easy to access battery compartment. Onboard charger. Rugged Polydur tanks withstand impact and resist chemical damage.
- Large opening for easy cleanout of recovery tank.
- Convenient front and rear solution fill.
- Equipped with batteries.

SSS® Panther 20TD Auto Scrubber (#86007)

- The compact designed features a single 20-inch disk.
- This powerful, battery-operated, transaxle drive unit, efficiently cleans 21,600 square feet per hour.
- Runs for an estimated 5 hours per charge.
- Equipped with rotationally molded housing, simple and easy-to-use controls and a heavy-duty cast aluminum squeegee assembly, for years of dependable and productive service.
- This highly maneuverable scrubber has a 20-inch cleaning path.
- Large solution and recovery tanks for increased productivity.
- Requires (2) 215 AH batteries (not included).

Automatic Scrubbers

SSS® Panther 20B Auto Scrubber (#86002)

Cost effective solution to cleaning floors

- Highly maneuverable 20-inch automatic scrubber.
- Brush-assist drive.
- Heavy-duty, cast aluminum squeegee assembly.
- Rotationally molded housing.
- Vacuum motor: 3-stage, .75 HP.
- Pad drive motor: .75 HP.
- Pad drive diameter: single 20-inch. Pad drive speed: 200 RPM.
- Large 13-gallon solution and 15-gallon recovery tanks increase productivity.
- Requires (2) 12V, 105 AH or 130 AH batteries (not included).

SSS® Panther 17C Auto Scrubber (#86004)

Compact, agile electric scrubber with 17-inch cleaning path

- Graduated brush reduces spray while squeegee and vacuum mechanics leave floor dry every time.
- 13-gallon solution and recovery tanks are the perfect size for small to medium size spaces.
- Large tank opening with smooth sides makes clean up fast and easy.
- Simple controls make it reliable and easy-to-use by anyone.
- Front fill port with cover can be filled via a bucket or hose.
- Pad assist drive system makes it easy-to-use. 8-inch wheels for easy maneuverability. 2-stage vacuum motor leaves the floor clean, dry and safe.
- 82-foot safety orange power cord.

SSS® Panther 15B Micro Scrubber (#86008)

Cordless and compact

- Battery operation and low profile design allow you to clean in tight, hard-to-reach areas with ease.
- Productive – the scrubber sprays solution down, agitates soil from floors, and vacuums the floor dry in one quick pass.
- Easy to operate with fingertip controls.
- Unit comes complete with onboard battery charger, auxiliary charging cable, and brush.
- 20-inch parabolic squeegee for thorough solution pick-up.
- 3.5-gallon solution and recovery tanks provide the needed capacity to get the job done.
- Equipped with batteries.

**SSS® Cheetah DC 2000
Burnisher (#86013)**

Productivity and Performance with
Dust Control

- 2000 RPM – 20-inch deck with 19-inch pad driver.
- Handle mounted release.
- Die-casted aluminum housing and handle assembly.
- Folding handle for easy storage.
- Durable 1.5 HP motor; 110V; 14-amp draw.
- Handle mounted circuit breaker.
- Large wheels – easy to transport.
- Passive dust control.
- Flexible pad driver.
- 55-foot safety orange power cord.

**SSS® Cheetah 1500 HS
Burnisher (#86012)**

Durable, Economical Burnisher

- 1500 RPM – 20-inch deck with 19-inch pad driver.
- All metal construction.
- Flexible pad driver.
- Heavy-duty 1.5 HP motor; 110V; 13.5-amp draw.
- Safety lock - out switch.
- Handle mounted circuit breaker.
- Fully adjustable handle.
- Non-marking bumpers.
- 55-foot safety orange power cord.

**SSS® Cougar 17/20 Floor
Machines**

THE All Purpose Floor Machine –
17-inch and 20-inch Models

- Triple planetary high torque all-steel gear box.
- All metal construction.
- Cougar 17 (#86010) – 175 RPM, 17-inch deck with 16-inch pad driver – motor mounted storage.
- Cougar 20 (#86011) – 175 RPM, 20-inch deck with 19-inch pad driver – motor mounted storage.
- Strong 66-frame, 1.5 HP motor; 110V; 13-amp draw.
- Universal clutch plate.
- Safety lock - out switch.
- Ergonomic fully adjustable handle; easy-to-use controls.
- Non-marking bumpers.
- 55-foot safety orange power cord.

Oscillating Floor Machines

SSS® Square Cat GT & XT Oscillating Floor Machines

Removes layers of finish without chemicals.

- Newest technology in oscillating floor machines.
- More primary and secondary isolators virtually remove all vibration. Scrubs and cleans floor twice as fast as current oscillating models.
- 3,200 square feet per hour productivity rating - saves time and labor costs.
- Rectangular pads scrub from edge to edge, including corners to eliminate extra steps.
- Industry leading design is comfortable, eliminates vibration to the operator, and is whisper quiet.
- Eliminates the need for harsh chemicals and protects our environment.
- Standard on all models (except XT10 & GT 20): 1.5 HP, 180 Frame, TEFC AC motor, 2-piece 55-foot safety orange power cord.
- 20-inch x 14-inch cleaning path and pad size; larger 28-inch x 14-inch model (#82007) available for larger areas.
- XTS20 Sprayer model: equipped with a 2-gallon solution tank and built-in sprayer for precise placement of water or cleaner. Also helps control dust.
- XTV20 Vacuum model: comes with active vacuum solution spray and a 4.5-gallon tank. Clean and pick-up dust in one easy pass.

- #82004 Square Cat XT20 Oscillating Floor Machine
- #82005 Square Cat XTS20 Oscillating Floor Machine with Built-in Sprayer
- #82006 Square Cat XTV20 Oscillating Floor Machine with Built-in Dust Vacuum Containment
- #82007 Square Cat XT28 Oscillating Floor Machine (not shown)
- #82011 Square Cat GT 20 Oscillating Floor Machine

SSS® Square Cat XT10 (#82003)

Smaller sized model for tighter areas.

- Remove coatings from virtually any hard surface floor at 1,800 square feet per hour. Saving time and labor costs.
- Rectangular pads scrub from edge to edge, including corners to eliminate extra steps.
- Industry leading design is comfortable, eliminates vibration to the operator, and is whisper quiet.
- Eliminates the need for harsh chemicals and protects our environment.
- The XT10 is perfect for tight areas.
- Versatile – for use on VCT, rubber and cork.
- Quieter and easier to operate than standard floor machines.
- 14-inch x 10-inch cleaning path and pad size.
- 0.5 HP, 1725 RPM, TEFC AC motor.
- 50-foot black power cord.

SSS® Edger XT Mini Floor Machine (#82009)

Reduces labor in hard to reach places.

- Excellent for cleaning baseboards, stairs, restrooms, elevators, entrance areas, locker rooms, kitchens and other congested areas.
- Buildup in corners & baseboards are cleaned without bending and back-breaking effort.
- Sturdy metal construction for years of dependable use.
- Adjustable handle makes operation easy for all personnel.
- Exclusive Snap-Lock System requires no tools to change pad driver and brushes.
- 1/8 HP, 500 RPM, 115V DC motor.
- Value packed with these accessories: (1) 6-inch black strip pad, (1) 6-inch grit edger brush (shown above), and (1) 6-inch pad driver.
- Also includes a highly visible, detachable 50-foot safety orange, extension cord.

Upright Vacuums

SSS® Triumph 12S Single Motor HEPA Vacuum (#86064)

Exceptional cleaning performance

- Exceptional maneuverability to optimize operator efficiency.
- 9 amps, 120V/60 Hz, 2-stage vacuum motor.
- Nylon, dual row brush chevron style.
- Automatic, self-adjusting brush height. 12-inch cleaning path.
- Quick cord clip for simple cord management.
- Excellent indoor air quality - certified HEPA filter.
- Non-marking, tear resistant bumper.
- Quieter operation at 68 dB(A).
- Equipped with spare bag storage and onboard tool.
- CRI Seal of Approval/Green Label Certified Silver.
- ETL and CETL certified.
- Meets LEED requirements.
- Filter bag (#APC3285).
- 50-foot, gray, detachable power cord.

SSS® Prosense 12D/15D Dual-Motor Vacuums

Reliable choice for general vacuuming

- Designed for reliability, ease of use, and inexpensive serviceability.
- 9 amps, 120V/60 Hz vacuum motor, 2-amp brush.
- Plastic, dual row brush chevron style.
- Power switch is located on the top of the vacuum body.
- 11-position height adjustments accommodate low-pile carpet to more plush carpet.
- Excellent indoor air quality - certified HEPA filter.
- Available in 11.5-inch (#86062) or 14.5-inch (#86063) cleaning paths.
- CRI Seal of Approval/Green Label Certified Bronze.
- ETL and CETL certified.
- Meets LEED requirements.
- Filter bag (#APC2622).
- 50-foot safety orange power cord.

SSS® ProSpec HD101/HD101 DC Vacuums

Budget friendly upright vacuuming

- Designed for dependability, ease of use, and low cost serviceability.
- 7 amps, 115V/60 Hz vacuum motor.
- Toe-tap power switch.
- 6-position height adjustments accommodate low-pile carpet to more plush carpet.
- 3-position handle adjustments.
- Steel brush roller for extended reliability.
- Choose from the dirt cup model (#86061) or the shake out bag model (#86060). HD101 Filter bag (#APC0314).
- CRI Seal of Approval/Green Label Certified Bronze.
- ETL and CETL certified.
- Meets LEED requirements.
- Long 50-foot power cord for improved user productivity.

SSS® 1500B HEPA Battery Operated Backpack Vacuum (#33003)

- Cordless freedom – battery operation improves productivity.
- Comfort - adjustable back, waist and shoulder straps improve comfort/reduce operator fatigue.
- Equipped with a four-stage HEPA filtration system providing 0.3-micron filtration at 99.97% efficiency.
- At 16 pounds the 1500B is compact, comfortable and light.
- Patented ribs on the inside of the tank ensure suction.
- Includes: 5-foot, 1-1/4-inch diameter vacuum hose, 3-piece painted aluminum wand and 11-inch combo carpet/hard floor tool.
- Replacement filter bag (#604015).
- Equipped with 36V lithium ion battery and charger. Spare batteries (#604506) and chargers (#604505) are available.

SSS® 1500C HEPA Backpack Vacuum (#33002)

- Adjustable back support, waist and shoulder straps are designed to minimize operator fatigue.
- Hose features swivel fittings to ensure tangle-free operation.
- Equipped with a four-stage HEPA filtration system.
- Patented ribs on inside of the tank ensure suction.
- Weighing only 10.8 pounds, the 1500C is the lightest full-size backpacks on the market.
- 1,200 watt motor; 115 inches of lift; 114 CFM of airflow.
- Includes: 5-foot, 1-1/4-inch diameter vacuum hose, 3-piece painted aluminum wand and 12-inch combo carpet/hard floor tool.
- Replacement filter bag (#604015).
- CRI Seal of Approval/Green Label Certified Silver.
- ETL and CETL certified.
- Meets LEED requirements.
- 42-foot yellow power cord.

SSS® Tailwind 1000 HEPA Backpack Vacuum (#56010)

- A productivity powerhouse designed to tackle the most demanding cleaning challenges.
- Ideal for vacuuming high square-footage areas.
- Four-level HEPA filtration system.
- Utilizes mountaineering-style backpack technology for comfort.
- Integrated tool belt keeps accessory tools within your grasp.
- Includes: black lid, 1-1/2-inch static-dissipating vacuum hose, 2-piece wand, 14-inch multi-surface floor tool, 14-inch hard floor tool, 3-inch brush, 5-inch upholstery tool, 11-inch crevice tool, and a shut-off switch that prevents motor from overheating.
- Replacement filter bag (#100331).
- CRI Seal of Approval/Green Label Certified Gold.
- ETL and CETL certified.
- Meets LEED requirements.
- 60-foot safety orange power cord.

Carpet Cleaning Equipment

SSS® Bobcat 10 Carpet Extractor (#86025)

Compact design, easy to maneuver

- 16-inch cylindrical brush to deep clean carpet.
- Easy-to-use controls make it simple to operate.
- 4 twist lock spray jets.
- 16-inch cleaning path; 100 PSI pump; 3-stage vacuum motor.
- Large 10-gallon solution tank and 7-gallon recovery tank.
- Clean a 40-foot x 50-foot room in one hour.
- Powerful enough to handle large volume cleaning jobs quickly and completely - clean up to 5,000 square feet on a single tank.
- 10-inch non-marking grey wheels.
- Rotationally molded Polyethylene tanks.
- 55-foot safety orange power cord.

SSS® Bobcat XT Carpet Extractor (#86026)

Self-contained carpet extractor

- Aggressive brush for fast effective cleaning.
- 16-inch cleaning path for high productivity.
- 8-gallon solution tank opening makes it easy to fill. Extends the time between dump and refills.
- Solution pump port and vacuum hook up for optional upholstery cleaning tool.
- Single spray jet with large opening prevents clogs.
- 1,200 square feet cleaned per tankful on average.
- 60 PSI pump prevents over wetting the carpet.
- 10-inch stair climbing wheels.
- Optional hard floor kit converts machine into hard floor auto scrubber.

SSS® Wildcat Carpet Spotter (#86030)

Highly portable extractor/spotter

- Perfect for conveniently cleaning spots and spills before they become stains.
- Built-in wheels and compact design makes it extremely transportable.
- Perfect complement to larger carpet extractors.
- This unit is simple, productive and built to last.
- 1 gallon solution/recovery tanks.
- Powerful 2-stage, 110V vacuum motor; 3.5-inch cleaning path; 30 PSI pump; 85 feet of water lift.
- Includes: 3.5-inch hand tool, 8-foot solution/vacuum hoses, an optional 8-foot floor wand and 15-foot solution/vacuum hoses.
- 25-foot safety orange power cord.

SSS® Lynx 26 Large Area Upright Vacuum (#86050)

Versatile, best choice for large areas

- 26-inch wide cleaning path.
- Single 2-stage, 1.57 HP industrial motor creates a deep cleaning action across the full cleaning path.
- Five height adjustments make it easy to adjust to different types of carpeting.
- Kit provides the ability to clean from floor to ceiling with one machine.
- Large 2.65-gallon filter bag capacity provides more productive cleaning time.
- Replacement filter bags (#86051).
- Optional tool kit includes: dusting brush, crevice tool, 9-foot hose, and 52-inch wand.
- 55-foot safety orange power cord.

SSS® Black Cat 18 FMS Wet/Dry Vacuum (#86040)

Professional performance wet/dry vacuum

- Versatile, easy-to-use machine.
- Large durable 18-gallon tank.
- Foot pedal for 24-inch front mount squeegee release (assembly included).
- 2-stage vacuum motor. 110-inch water lift.
- Powerful enough to handle any cleaning job quickly & completely.
- 10-inch stair climbing wheels.
- Rotationally molded polyethylene construction.
- Rear drain hose for easy disposal of dirty solution.
- Tools include: 9-foot hose, crevice tool, dusting brush, wet and dry pick-up tools and 3-piece stainless steel wand. Tool Kit complete with built-in storage compartment.
- 55-foot safety orange power cord.

SSS® Puma X Air Mover (#86023)

3-Speed, transportable air mover

- Three speeds for a variety of drying applications from floors and walls to circulating the air.
- Built-in handle and optional transport kit includes wheels & a telescopic handle for easy transport from job to job with no carrying involved.
- Four angle positions 0°, 11°, 20°, and 90° to handle a variety of drying needs.
- Two GFCI onboard outlets enable operator to daisy chain up to 3 units together for more drying power.
- 3-speed switch lets you set the air flow to your specific needs.
- Stackable for space saving storage.
- Use the swing-out kickstand to improve airflow and speed up dry time.
- Easy grip handle and built-in cord wrap for operator convenience and safety.
- 21-foot yellow power cord.

Upright Vacuums

ProTeam® Upright Vacuums & Filters

ProTeam® ProForce® 1200XP/1500XP HEPA Upright Vacuum

Designed for advanced versatility allowing 12" (15") powerhead to reach even smaller spaces. HEPA level filtration captures 99.97% of particulates down to 0.3 microns. Watts: 924; Weight: 18 lbs.; Airflow: 96 CFM. Static lift: 84"; 11 amps; dual motor. Capacity: 3 qt. Four level filtration: 393 sq. in. w/HEPA media exhaust filter. Premium quality on-board tools and high performance dual motor system offers convenience and durability for optimal efficiency and maximum effectiveness. Silver Seal of Approval/Green Label from CRI. LEED Compliant.

Restroom Cleaners

Restroom Cleaners - Concentrates

SSS® Navigator 59 Green Wave Organic Acid Restroom Cleaner

Heavy-duty organic cleaner formulated with a rainy clean fragrance. Cleans away soap scum, hard water deposits, rust stains, body oils, fats and dirt. Specially designed to address the environmental, safety and health concerns facing today's housekeeping professional. Will not accumulate in the environment and will not contribute to waste treatment plant sludge. Can be used to clean most surfaces such as: windows, Plexiglas, walls, tubs, showers, toilet bowls and urinals. It is especially effective on removing difficult stains from ceramic tile floors and grouting. RTU yields per refill: 34 quarts. EcoLogo® Certified and EarthCare® Certified.

48128 Gal. 4/cs
48259 2 L Navigator 59 Rain/Clean 2/cs

SSS® Navigator 14X Tough Duty Bath Cleaner

Extra strong restorative restroom cleaner. Gets rid of heavy soil build-up. RTU yields per refill: 48 quarts.

13208 2 L Navigator 14X Citrus 2/cs

SSS® Navigator 5X Non Acid Bath & Bowl Cleaner

All purpose non-acid daily restroom cleaner; removes urinary slats, scale and film deposits. RTU yields per refill: 60 quarts.

13201 2 L Navigator 5X Floral 2/cs

SSS® Navigator 60 Slugger Mild Acid Restroom Cleaner

Heavy-duty multi-purpose restroom cleaner designed for cleaning restrooms, showers, tubs and tiles. Leaves surfaces sparkling clean. Removes soap scum, mineral deposits, mildew stains and light rust. Thick clinging foam cleans many hard surfaces, including fiberglass, porcelain, stainless steel, chrome, melamine, ceramic, and quarry tiles. Not for use on marble, polished aluminum surfaces, granite, terrazzo, natural stone, Formica. Always rinse off the chemical with water. Do not mix with bleach. RTU yields per refill: 85 quarts.

48260 2 L Navigator 60 Wintergreen 2/cs

SSS® P.S.T. Plus Concentrate

Quickly removes hard water deposits, soap scum, & rust from tubs, sinks, toilets, tile, shower doors, & chrome plated fixtures with no pitting or discoloration. Concentrated porcelain, shower and tile cleaner. Dilutes 3 oz. per gallon (1:40). Phosphoric acid formula. Disinfects, deodorizes and inhibits the growth of mold and mildew. EPA registered.

13095 Gal. Mint 4/cs

Restroom Cleaners - RTU

SSS® Green Wave RTU Organic Acid Restroom Cleaner

Heavy-duty organic cleaner formulated with a rainy clean fragrance. Cleans away soap scum, hard water deposits, rust stains, body oils, fats and dirt. EcoLogo® Certified and EarthCare® Certified.

48063 32 oz. w/Sprayer 12/cs

SSS® P.S.T. Cleaner

A mild all purpose phosphoric acid restroom cleaner that combines detergent and wetting agents couple with a phosphoric acid base. Eliminates rust, lime, organic deposits and offensive odors. Use on wash basins, bathtubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls and urinals. Recommended for use in commercial or industrial buildings, hotels and motels.

13014 Qt. Cherry-Almond 12/cs

SSS® Counter Attack Non-Acid Restroom Cleaner

An all purpose hard surface cleaner containing no acids or abrasives. Designed to dissolve soap scum and hard water films as well as scum, scale, and other organic residues. When used as directed, it will not harm any surface not affected by water. Highly concentrated and economical to use. Non-fuming, non-acid, non-toxic.

48118 Qt. Fresh Rose 12/cs

SSS® Shower Max Restroom Cleaner

Removes soap scum and hard water deposits fast. Formulated to cling to vertical surfaces to provide needed dwell time to tackle your shower room cleaning needs. It quickly removes water solids, soap scum and rust from tubs, sinks, tile, shower doors and chrome plated fixtures with no harm.

13142 Qt. Mint 12/cs

Tub, Tile & Grout Cleaners

SSS® Navigator 27X Fresh Start Washroom Tub & Tile Cleaner

Counteracts odors. Use to remove soap scum, mildew, lime, water scale, and rust deposits on porcelain, tile, and fiberglass surfaces. For multiple surfaces. RTU yields per refill: 284 quarts. EcoLogo® Certified and EarthCare® Certified.

13219 2 L Navigator 27X Floral 2/cs

SSS® Navigator 31X Foaming Restroom/Shower Cleaner

Unique acid blend. Easily dissolves soil on grout lines. Removes alkalinity, soap film, and grime. Makes surfaces clean and less slippery. Non-abrasive, won't dull surfaces. Cleans concrete and quarry tile floors, restores floor to original condition. Water-based, nonflammable, non corrosive. RTU yields per refill: 144 quarts.

13214 2 L Navigator 31X Mint 2/cs

SSS® Liquid Scouring Crème

Excellent for the cleaning of porcelain, acrylic and fiberglass fixtures in restrooms and kitchens. The thick rich formula will not scratch porcelain. Applications include kitchens, lavatories, tubs and showers that need extra scrubbing power. Ideal for use wherever a non-scratching cleaner is needed. The popular pleasant scent fragrance eliminates odors while leaving a light fresh fragrance.

13016 Qt. Pleasant Scent 12/cs

Restroom/Bowl Cleaners

SSS® Upper Deck Crème Cleanser

Designed to easily remove any embedded stain, rust, grease, soap scum, mineral deposit, and oxidation. Brightens and polishes. Leaves surface clean and free of odors. Thick clinging formula for use on Formica, toilets and urinals, porcelain, fiberglass, chrome, ceramic tiles, walls/floors, stainless steel, and pots/pans.

48124 Qt. Wintergreen 12/cs

SSS® Instant Mildew Stain Remover

Remove tough mildew stains on grout between tile, around shower stalls, and around bathtubs. Spray on and watch stains disappear in minutes. Works quickly to clean and whiten the most difficult stains. One application is usually all it takes.

13017 Qt. Herbal 12/cs

EnvirOx® Green Certified H2O2 Orange Tile & Grout Renovator

Multi-Phasing, Fragrance Technology. VOC Exempt.

Multiple Fragrances
Fragrance notes blend subtly to create a better environment
Eliminates fragrance fatigue

Alero PT Chameleon multi-phasing passive air freshener with sub-micron fragrance technology.

Multiple fragrances from just one air freshener. Utilizing sub-micron' fragrance technology, enabling superior fragrance delivery with particles sized below 1.0 micron.

The refills are totally organic, totally biodegradable, and the dispenser is manufactured from 100% recycled materials and is recyclable.

Alero PT Chameleon: How It Works

The Alero PT Chameleon is made up of a unique ceramic capsule and a fragrance center core. The ceramic capsule is infused with high quality fragrances, then complemented by an integrated internal fragrance core. These combine and diffuse powerful key fragrance notes that are subtly different.

The diffusion rate of fragrance moving through the ceramic capsule is much different to the fragrance evaporating from the surface of the fragrance core. This means that the start fragrance transforms into something very different over time.

Alero PT Chameleon is VOC exempt and waste-free. It is completely free of any solvents, propellants, HFCs and harmful volatile organic compounds (VOCs) – the truly safe air freshening solution for all of your air care needs.

Alero PT Passive Technology Dispenser

The Alero PT Passive Technology Air Care Dispenser controls odors through a unique, non aerosol dispensing system.

The small cabinet is suitable for use in many locations. The lock feature prevents theft or vandalism of fragrance refills. Requires no external power source such as oxygen, hydrogen fuel cells (batteries), and it doesn't rely on gravity – all it needs to work is natural airflow.

08067 20 lb. Cherry ea

Odor Management

Non-Para Toilet/Urinal Blocks & Screens

SSS® Gripper Toilet Bowl Deodorizers

Contains organic deodorizing compounds that are much stronger than traditional rim hangers. Specially designed to fit any toilet bowl. No batteries. Lasts up to 45 days. Body of rim hanger sits on the outside of the toilet. VOC compliant.

08860	Lime Twist	12/cs
08859	Melon Mania	12/cs
08035	Mountain Blast	12/cs

SSS® Urinal Screen w/Quat Cleaner Block

Screen protects drain from blockage. Block deodorizes, cleans and prevents scale buildup. Each flush tints water blue, while healthy bacteria eliminates odors and maintains drains. No para-chlorobenzene.

08285	1,500 flushes	Apple	12/cs
83001	1,500 flushes	Cherry	12/cs
83012	1,500 flushes	Cinnamon	12/cs
83002	1,500 flushes	Pleasant Scent	12/cs

SSS® Toilet Rim Hanger w/Quat Block

Non-para deodorants with fortified enzyme blocks are water-activated to counteract odors and fight bacteria growth. Cleans and deodorizes with every flush. Plastic hanger attaches to bowl rim. Lasts up to 30 days.

08053	Apple	12/cs
11030	Spring Green	12/cs

SSS® Urinal Screen w/Enzyme Block

Flexible screen conforms to the shape of the urinal, protecting the drain against debris and costly clogs. Enzymes help to keep drains and pipes clean. Enzyme, deodorant block helps eliminate odor-causing bacteria and dissolves mineral deposits, hard water scale and uric salts.

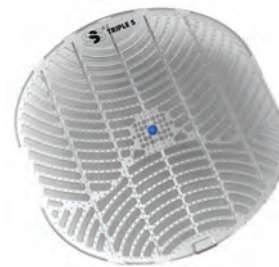

11029	Spring Green	12/cs
--------------	--------------	-------

SSS® Ultra Urinal Screen w/Enzyme Block

Provides more cleaning and deodorizing with every flush. Oversized block contains deodorizers, cleaners and specially bred enzymes to help destroy uric acids. Lasts up to 60 days.

08068	2,500 flushes	Evergreen	6/cs
--------------	---------------	-----------	------

SSS® Alero Elite Urinal Screens

Effective means of keeping drains and urinals free flowing; and smelling fresh for up to 30 days. They also combat odor control between restroom cleaning visits. Non-hazardous. Unique web design prevents splash back. Innovative anti-slip feature helps keep optimum position. Easy installation and disposal. VOC exempt. Part of the "Synchronized Scents" program.

64061	Citrus Vibe	12/cs
64063	Floral Fiesta	12/cs
64064	Lemon & Linen Twist	12/cs
64062	Mint Cool	12/cs
64060	Summer Symphony	12/cs

SSS® Extra-Duty Urinal Screen w/Quat Cleaner Block

Screen protects drain from blockage. Enzyme bowl block deodorizes, cleans and prevents scale buildup. Every flush tints water blue, while healthy bacteria eliminates odors and maintains drains. No para-chlorobenzene.

08254	2,000 flushes	Apple	12/cs
08654	2,000 flushes	Cinnamon	12/cs
08054	2,000 flushes	Evergreen	12/cs

SSS® Sea Shell Flat Urinal Screens

Translucent in color with a 'clamshell', flexible design for a better fit. Manufactured using a specially engineered copolymer that is impregnated with organic deodorizing compounds that are 200% stronger than traditional vinyl urinal screens. Anti-splash texture; preventing splash back and cross contamination of urine. Incredibly strong deodorizing properties and VOC compliant. Non-slip finish. Collects debris before it clogs up the drain.

08037	Apple Cinnamon	6/10/cs
08031	Lime Twist	6/10/cs
08034	Magnificent Mango	6/10/cs
08030	Melon Mania	6/10/cs
08032	Mountain Blast	6/10/cs
08033	Super Sunblast	6/10/cs

SSS® D-20 Odor Counteractant Disc

Stick them anywhere odors are a problem. Adhesive backing. Lasts 30 days. Designed for bathroom stalls, under furniture and rooms up to 9' x 12'. Spring Green fragrance.

11002 Spring Green 6/12/cs

Toilet/Urinal Floor Mats

SSS® Deodorizing Toilet Floor Mat

Designed to fit around the base of all standard toilets, protecting the immediate area from unwanted drips. Charcoal color and fresh scent deodorant.

08086 22" W x 22" H x .25" D Charcoal 6/cs

SSS® Flat Urinal Screens

Super-flex vinyl adjusts to the contour of the urinal, forming an effective barrier against cigarette butts, gum and other debris that lead to costly clogs. The vinyl is permeated with a clean fragrance. Deodorizes while it protects!

83008	Cherry	6/12/cs
83007	Pleasant Scent	6/12/cs

SSS® Deodorizing Urinal Floor Mat

Charcoal colored mat designed to be used with all hanging single urinals. Impregnated with pleasant fresh scent to eliminate odors in the immediate area.

08085 17.5" W x 20.5" H x .25" D Charcoal 6/cs

SSS® Alero Elite Multi-Fit Air Fresheners

The multi-fit air freshener is solid state, with added malodor eliminating micro porous materials to combat bad odors for up to 30 days. Versatile suction cup allows it to hang from a variety of surfaces. No propellants, no solvents; and non-hazardous. No batteries or electricity required. Part of the "Synchronized Scents" program. V.O.C. exempt.

64056	Citrus Vibe	12/cs
64058	Floral Fiesta	12/cs
64059	Lemon & Linen Twist	12/cs
64057	Mint Cool	12/cs
64055	Summer Symphony	12/cs

Personal Care Products

Impact® Naturelle™ Tampon

Enclosed in a protective sleeve. Easy-to-use smooth tip. 4-ply biodegradable and flushable cardboard applicator. Easy grip. Made in USA. Posi-Lock Punch prevents tube disassembly. Use available vendor: J6-RC.

Premeasured Cleaning Concentrates

Precision for every job.

Add Water and Go - Premeasured chemicals eliminate the guesswork from mixing chemicals. Empty the pack into a bottle or mop bucket and you're ready to clean.

Simplified Training - Color coded packs, labels and wall posters make it easy to train your staff and standardize your procedures.

Inventory Management - Premeasured packs provide staff with the correct amount of product to do their job. Empty packs can be returned for inventory control.

Reduced Costs - No wasted product, no dilution control station.

Premoistened Wipes

SSS® Disinfecting Cleaning Wipes

Cleans, disinfects and deodorizes hard, non-porous surfaces. Kills 99% of all bacteria. Effective against MRSA and other pathogens.

57012 75 ct. 7" x 8" 6/cs

SSS® Hand Sanitizer Wipes

Dual-textured blue/white polypropylene towel. Kills 99.9% of disease causing germs in 20 seconds. Also kills: Pseudomonas, Staph, MRSA, E. Coli, Strept, Salmonella, Choleraesuis, Candida albicans. Contains skin conditioners. Patented low alcohol formula will not dry hands.

57002 85 ct. 6" x 8" 6/cs

SSS® Hand Cleaner Towels

Combine an advanced cleaning formula with a strong, dual-textured towel to thoroughly clean hands and surfaces. The clean, citrus scented formula loosens and dissolves industrial soils while leaving hands free from dryness and irritation. Industrial towel locks in soil to prevent it from transferring back onto hands and surfaces. Hands are left feeling clean with no sticky residue and no rinsing required.

57006 72 ct. 10.5" x 12.25" 6/cs

SSS® Glass Cleaner Wipes

Smooth white polypropylene. Patented streak-free formula. One step cleaning saves time and labor. Lint-free towel provides controlled application. No dripping or overspray. Safe on water-safe surfaces. Use on computer screens, copy machine glass, TV screens, keyboards, display cases, picture frames, counters, whiteboards and more.

57004 70 ct. 6" x 10.5" 6/cs

SSS® Stainless Steel Wipes

A dual-textured towel (one side abrasive, opposite side non-scratching) cleans, polishes, brightens and protects all in one step. This powerful formula prevents water marks and corrosion and preserves the high luster of stainless steel. Ideal for bathrooms, drinking fountains, elevators, kitchens, and more.

57005 30 ct. 10.5" x 12.25" 6/cs
57009 70 ct. 10.5" x 12.25" 6/cs

SSS® White Board/Dry Erase Cleaner Wipes

Erases and cleans white boards in one simple step with no overpowering alcohol odor. The fresh scented cleaning formula is combined with a lint-free wipe. Easily remove shadows and picks up marker dust.

57010 120 ct. 6" x 8" 6/cs

SSS® Gym Equipment Cleaner Towel

An effective way to clean gym equipment and maintain a hygienic workout environment. These wipes clean away sweat and grime left behind from a tough workout. Premoistened, disposable wipes. Light fresh cucumber fragrance.

57008 230 ct. 6" x 8" 6/cs

SSS® CleanSpec Environmental Surface Monitoring System

As Easy As 1, 2, 3 . . .

A simple solution to inspect and monitor your cleaning processes. For use by in-house personnel at healthcare, hotels/motels, schools and by contract cleaners. Mark a high touch (non-porous) surface with the pen. Shine the light on the mark after the staff cleans. Mark removes easily with any all purpose cleaner. If the mark exists you know the surface was not wiped properly, and you should address as a training issue.

As local members of the community our independent Member-distributors are driven to customer satisfaction. Local technical support, equipment repair, friendly service are what you can count on when working with Triple S Member-distributors.

Cleaning Power

Where and when you need it.

3M™ Twist 'n Fill™ Cleaning Chemical Management System

Choose from a wide variety of top-performing chemicals formulated to meet most cleaning needs.

- Dispense all chemicals with one dispenser
- Unique bottle and cap design lets you interchange chemicals in seconds
- Very compact — fits in most closets
- Easy to use — just insert bottle, twist and fill
- Integral air gap prevents chemical backflow
- Designed to be used with cold water to prevent scalding hazards and reduce energy use
- Concentrated chemicals to maximize value and reduce packaging
- Packaged in easy-to-handle, easy-to-store bottles

Choose Only the Chemicals You Need,
Only When You Need Them

Twist 'n Fill™ Dispensing System & Cleaning Chemicals — Numbered and Color-Coded Labels for Easy Identification

3M Cleaner Concentrate		General	Restroom	Carpet	Hard Floor	Food Service	Yield Per TNF High and Low Flow Bottle (Ready-to-Use)	TNF Low Flow (Fill Bottles)	TNF High Flow (Fill Buckets)	Description
1	3M™ Glass Cleaner Concentrate 	●	●			●	30 gallons			Green Seal™ GS-37 Certified non-streaking cleaner for windows, glass and mirrors and other mirrored surfaces.
2	3M™ Heavy Duty Multi-Surface Cleaner Concentrate	●		●		●	7 gallons			Versatile cleaner removes most spots, stains and grease from washable surfaces. Use to remove marks from carpets, marble, aluminum, stainless steel and chrome.
3	3M™ Neutral Cleaner Concentrate 				●	●	207 gallons			Green Seal™ GS-37 Certified no-rinse, low-foaming formula won't harm washable hard floors or leave soapy residue that can dull or soften floor finish. Use with mop or automatic scrubber. Fresh scent.
4	3M™ Bathroom Disinfectant Cleaner Concentrate		●				27 gallons			EPA-registered disinfectant cleaner removes soap scum and scale from bathroom surfaces.
5	3M™ Quat Disinfectant Cleaner Concentrate	●	●			●	127 gallons			EPA-registered, quaternary disinfectant cleaner for use in hospitals. Kills HIV-1, MRSA, VRE, Herpes Simplex I & II and other pathogens. Rinse-free, pleasant fragrance.
6	3M™ Speed Stripper Concentrate				●		8.2 gallons			High-performance, five-minute stripper. Removes sealers and floor finish buildup and finishes hardened by frequent burnishing. No unpleasant odor.
7	3M™ Food Service Degreaser Concentrate					●	123 gallons			Removes food and oily soils from hard surfaces such as walls, floors, tables and vinyl.
8	3M™ General Purpose Cleaner Concentrate 	●				●	35 gallons			Green Seal™ GS-37 Certified high-performance, all-purpose cleaner. First choice for your everyday cleaning needs. Use on floors, walls and other nonporous surfaces.
13	3M™ Deodorizer— Fresh Scent Concentrate	●	●				30 gallons			Long-lasting deodorizer leaves a fresh, clean scent.
15	3M™ Non-Acid Disinfectant Bathroom Cleaner Concentrate		●				61 gallons			Daily-use, EPA-registered, disinfectant bathroom cleaner for bowls, urinals, and other hard surfaces including ceramic tile, plastic, stainless steel, fiberglass and marble.
22	3M™ Floor Stripper LO Concentrate				●		11 gallons			Low-odor, low-foaming, five-minute stripper for sealers, floor-finish buildup and finishes hardened by frequent burnishing.
23	3M™ Neutral Quat Disinfectant Cleaner Concentrate	●	●			●	120 gallons			For use in hospitals. EPA-registered disinfectant cleaner kills Hepatitis B Virus (HBV), HIV-1, MRSA, VRE, Herpes Simplex I & II and other pathogens. Rinse-free, low foaming, neutral pH formula.
24	3M™ 3-in-1 Floor Cleaner Concentrate 					●	137 gallons			Green Seal™ GS-37 Certified versatile, low-foaming cleaner for use in automatic scrubbers or in mop-on applications. Formulated for scrubbing before recoating as well as cleaning before burnishing and daily cleaning.
25	3M™ HB Quat Disinfectant Cleaner Concentrate	●	●			●	180 gallons			Rinse-free, EPA-registered disinfectant for disinfecting and cleaning noncritical items. For use in hospitals. Kills Hepatitis B Virus (HBV), HIV-1, MRSA, VRE, Herpes Simplex I & II and other pathogens.
52	3M™ Tile, Grout & Bowl Cleaner Concentrate		●				2.6 gallons			For periodic cleaning. Penetrates and loosens buildup quickly and thoroughly. Effectively removes both hard water scale and soap scum.

3M™ Twist 'n Fill™ Dispensing System		Description
3M23593	3M™ Twist 'n Fill™ Dispenser, w/ PRF, 1/Cs	Dispense all chemicals with one compact dispenser. Unique bottle and cap design lets you interchange chemicals in seconds. Accurate dispensing technology ensures consistent, effective chemical performance. 3-gallon-per-minute dispense rate for bucket applications; 1-gallon-per-minute for trigger spray bottle applications.

 This product meets Green Seal™ Standard GS-37 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.

Products No. 1, 8: Skin/eye damage met requirements at the as-used dilution, as specified for closed dilution systems.

Product No. 24: Acute toxicity and skin/eye damage met requirements at the as-used dilution, as specified for closed dilution systems.

Entrance Matting

SSS® Defender Renew Entrance Mats

Features a 30 oz. 100% post consumer recycled PET polyester fiber reclaimed from drink bottles. Reinforced rubber backing keeps the face pattern from crushing. Available with rubber or fabric-covered beveled edging that holds moisture. Recessed grooves retain excess moisture. Ideal for indoor/outdoor use. Backing made from 15-20% consumer recycled rubber reclaimed from tires. Backing with gripper tips for slip-resistance will not crack and remains flexible in cold weather. Clean with vacuum, hose or pressure washer. Qualifies for LEED Certification Points. Certified slip resistant by the National Floor Safety Institute. EarthCare® Certified.

Available in various sizes/colors

SSS® Sunrise Renew Collection Entrance Mats

Features a 30 oz. 100% post consumer recycled PET polyester fiber reclaimed from drink bottles. Four half liter bottles are recycled for every square foot. Reinforced rubber backing keeps the face pattern from crushing. Available with rubber or fabric-covered beveled edging that holds moisture and dirt on mat for later removal. Recessed grooves contain excess moisture below traffic surface. Ideal for indoor/outdoor use. Backing made from 15-20% consumer recycled rubber reclaimed from tires. Qualifies for LEED Certification Points. Certified slip resistant by the National Floor Safety Institute. EarthCare® Certified.

Available in various sizes/colors

Renting vs. Buying Mats

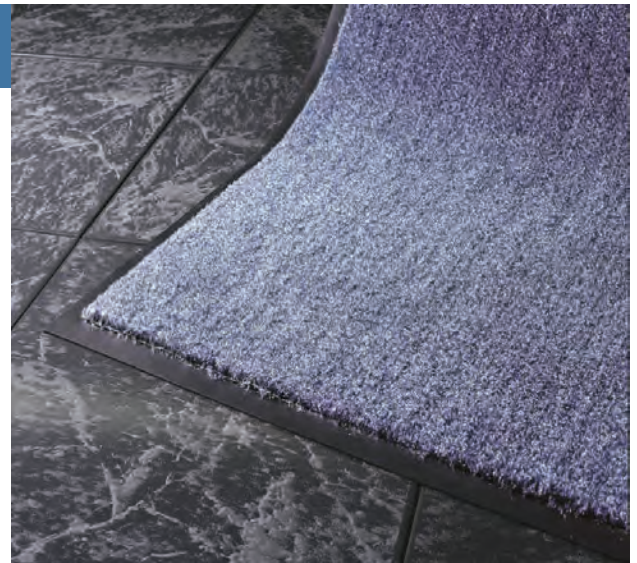

Save \$680.00!

PERCEPTION: Renting mats is economical.

FACT: Rental mats are very expensive as a long term matting option. At an average of \$0.20 per square foot per week a single 3'x5' rental mat costs a facility \$780 over a five year period. In contrast, a purchased 3'x5' high performance mat costs the facility approximately \$100 saving your customer \$680.

Buying your mats will allow you to choose colors and specific sizes that will complement your interiors, match your branding, and will ensure all mats look uniform.

Contact your local Triple S Distributor for a quote and more information for what is best for your facility.

Mats & Matting

SSS® Tuff-Cleat Scraper Mats

Molded nitrile rubber treads aggressively scrape soil from feet. Dirt and grime are trapped in the base of the mat. Ideal for inside/outside use. Designed to be used in tandem with standard matting. Cleans easily with hose. Certified slip resistant by the National Floor Safety Institute.

SSS® White Fever Ice Melter

Melts to temperatures of 5°F. Formulated for superior value at an economical price. Less harmful to concrete or vegetation when used as directed. Non-hygroscopic formulation means it will not harden. Does not leave an oily residue. Sweeps, vacuums and washes up easily. Uses: Concrete, walkways, driveways, grass, metal, wood, etc.

61001 50 lb. Bag 49/plt

SSS® Purple Flame Commercial Ice Melter

Melts to temperatures of -10°F. Combines the most effective deicing ingredients to ensure fast ice melting. Fast acting, long lasting melting for added protection and economy. Highly visible purple color indicator ensures precise and cost effective spreading. Non-hygroscopic formulation means it will not harden. Uses: Concrete, walkways, driveways, grass, metal, wood, etc.

61006 50 lb. Bag 49/plt

SSS® Blue Blaze Performance Ice Melter w/CMA

Melts to temperatures of -10°F. Calcium magnesium acetate (CMA) formulation – a safer blend of ice melt. Anti-corrosion inhibitors added. Less harmful to concrete or vegetation when used as directed. Anti-caking agents added for free-flowing dispersion. Blue color indicator.

61011 50 lb. Bag 49/plt

SSS® MaxHeat Maximum Performance Ice Melter

Melts to ultra low temperatures of -25°F. Super fast acting, calcium chloride based formulation for extreme weather conditions and extra long lasting deicing. PGB-99® accelerator ensures quick ice melting action. CI-56™ corrosion inhibitor prevents corrosion when used as directed. Blue color indicator.

61022 35 lb. Pail 36/plt
 61024 25 lb. Bag 49/plt
 61023 100 lb. Drum 18/plt

Snow/Ice Removal Tips

Apply Early - prevents ice from bonding, and you will use less product

Remove Ice Melt from Floors and Mats - prevents damage to floors and mats

SSS® Green Heat EarthCare® Ice Melter w/CMA

Melts to low temperatures of -15°F. Specially enhanced with CMA (calcium magnesium acetate) and other eco-friendly ingredients to make this one of the most environmentally friendly ice melter formulations on the market. Less harmful to vegetation, grass and other plant life. Guards against concrete/wood corrosion damage. Safer to use around children and pets. Green color indicator.

61016 50 lb. Bag 49/plt

SSS® SnowShoe™ Economy Ice Melter

Effective to -10°F. A superior choice for treating large areas. Blended formulation of sodium chloride, calcium chloride, potassium chloride, and CMA. Meets a majority of the ice melt market needs. Blue color indicator.

58001 50 lb. Bag 49/plt

SSS® SnowShoe™ High Performance Ice Melter

Melts on contact. Keeps working down to -25°F. Blended formulation of sodium chloride, calcium chloride, potassium chloride, and CMA. Fortified with calcium chloride for instant heat. Orange color indicator.

58002 50 lb. Bag 49/plt

SSS® SnowShoe™ EarthCare® Green Ice Melter

100% natural - no fillers. Effective to 20°F. Blended solution of sea salt, urea, potassium chloride, and CMA. Helps keep walkways clear. Proprietary, earth-friendly product formulation. Triple S EarthCare® approved! Green color indicator.

58003 50 lb. Bag 49/plt

Commercial Sprayers

SSS® 1996 TSQ Chemical Resistant Sprayer

For use with the harshest chemicals & industrial cleaners. Available in 2 gallon and 3 gallon. Features: chemical resistant Viton seals; durable poly tank; funnel top with pour spout, brass flow control; brass extension with flat fan nozzle. Chemical resistant hose.

69001 2 Gal. ea
69002 3 Gal. ea

SSS® 1992 TSS Chemical Resistant Sprayer

Features; durable poly tank; brass flow control; brass extension w/adjustable brass nozzle; reinforced hose. Designed for use w/most water soluble cleaning solutions.

69005 2 Gal. ea

SSS® 1985 TSQ Chemical Resistant Sprayer

Features: adjustable cone nozzle, Viton seals and rugged poly construction. Excellent for spot application when cleaning restrooms, showers, etc. For smaller jobs.

69008 3 Pint ea

SSS® 1992 TSA Acid Resistant Sprayer

Designed for acidic solutions. Features: acid resistant poly construction, all poly flow control, acid resistant poly extension. Adjustable cone nozzle made of acid resistant poly. Buna seals.

69010 2 Gal. ea
69011 3 Gal. ea

Insecticides

Big D Metered Insect Killer

Formulated with natural Pyrethrins, it is effective in the control of insects. Designed for use in metered dispenser. For use in schools, food service, industrial. Environmentally compliant in all 50 states.

00470 6.5 oz. Aerosol 12/cs

Enforcer® Dual Action Insect Killer

Highly effective against a multitude of bugs including ants, bees, beetle, cockroaches, scorpions, spiders, and other pests. Kills on contact and protects for up to 3 months. Kills lice and their eggs. Seeks out bugs where they hide.

EDA1K17 17 oz. Aerosol 12/cs

Enforcer® Flying Insect Killer

Don't let pesky flies, gnats, and mosquitoes spoil a good time. Kills mosquitoes, flies, gnats, and small flying moths both indoors and outdoors. Water-based.

AMREF16 16 oz. Aerosol 12/cs

Enforcer® Wasp & Hornet Killer

Instant knockdown formula kills the entire nest of wasps, hornets, yellow jackets on contact. Jet blast up to 22 feet lets you spray from a safe distance. For outdoor use only. Non-conductive up to 47,300 volts. Residual action kills wasps and hornets returning to the nest.

EWH1K16 16 oz. Aerosol 12/cs

Graffiti Removal Products

SSS® Graffiti Remover Wipes

Dual-textured gray/white polypropylene towel breaks up and absorbs graffiti. Developed for smooth, non-porous surfaces. Excellent for street signs, phone booths, bathroom stalls, lockers, buses, trains.

57003 30 ct. 10.5" x 12.25" 6/cs

SSS® Censor Vandal Mark Remover

Special blend of cleaners and solvents formulated to remove stubborn marks such as spray paints and marking inks.

05011 16 oz. Aerosol 12/cs

SSS® Censor Gel Vandal Mark Remover

Easy-to-use cleaner is designed to remove stubborn marks such as crayon, ink, spray paint, and lipstick. It's gel formula clings to vertical surfaces for easy vandal mark removal.

21011 15 oz. Aerosol 12/cs

Tilt Trucks

Rubbermaid® Tilt Trucks

Easy to handle and maneuver through commercial doorways and onto elevators. Angled front end is designed for convenient dumping. Smooth surface is easy to clean and resists pitting and corroding. USDA, FDA compliant materials. Inset wheels protect walls, fixtures and patrons. Optional hinged domed lids available.

SSS Can Liners Protective Seals

Star Seals are our strongest seals to protect against seam failure and leaks for our bags. Star Seals optimize a bag's load capacity to redistribute weight evenly while improving leak protection.

Flat Seals are strong seals that run straight across the bottom of a bag to seal thicker material in our heavy duty bags. Flat Seals are designed to hold firm while not affecting thicker gauge material or compromising the length of the bag.

MEASURING FOR CORRECT CAN LINER SIZE

BAG WIDTH

Use 1/2 of the outer circumference of the container.

BAG LENGTH

Use the height of the container plus 1/2 of the diameter of the container, plus 3" (for overhang). For square or rectangular containers, use the diagonal of the container bottom.

Ideal Fit Can Liners

SSS® Ideal Fit™ Super Hexene HAO Can Liners

These versatile liners can be used in a wide range of applications, including disposal of heavy or sharp objects, and wherever maximum puncture and tear resistance are needed. Ultra-tough performance, thanks to Super Hexene 100% HAO resins.

Thinner, stronger films reduce landfill waste up to 25%. Available in clear and magnum blue. Great choice for environmental source reduction. Coreless rolls for ease of use and storage. EarthCare® Certified.

81007	Canister for Rolls		6/cs

SSS® Varitex™ EVS Wiping System Bucket

Designed to work with quat and phenolic disinfectants, sanitizers and bleach. A clean, fresh, sanitary wipe each time, reduces cross contamination. Disinfecting and cleaning surfaces in healthcare or sanitizing surfaces in food service facilities. Premium material performs like a wiper, but does not bind quaternary chemicals like ordinary towels and wipers. Releases the precise amount of chemical solution to properly disinfect surfaces. Closed bucket system prevents contamination of the wipes and cleaning solution while reducing exposure to chemical odors and splashing. This system is the ideal alternative to open bucket systems with cotton rags or microfiber.

Equipment Service & Repair

We Understand Uptime!

Keeping your equipment running properly is important to keeping your facility clean. It keeps your labor budget in check, your building stays cleaner, and staff morale stays higher.

Maintenance Shop Service

Drop off your equipment for repairs by a factory-trained technician, or contact your local Triple S Distributor for pick up and re-delivery of your equipment.

An in-house technician will diagnose and repair your equipment.

On-Site Service

A factory-trained technician will diagnose, make repairs, and make recommendations on other maintenance or training issues at your facility.

Preventive Maintenance Service

Unplanned maintenance is very costly and results in lost production, and higher costs for parts, shipping and emergency repair service.

Regularly scheduled visits by a factory-trained technician to check, inspect, adjust and lubricate the equipment will keep it in service longer and prolong the life of the equipment.

You will also receive training on proper use of equipment to prevent future issues.

Priority emergency scheduling is typically a benefit to PM customers.

Contact your local Triple S Distributor for more information and availability of these services.
